

# IOSSO NYFLEX RIFLE BORE BRUSHES - IOSSO PRODUCTS IOSSO RIFLE BRUSH 7MM, .286 CAL

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Tough, long-lasting bore brushes thoroughly clean handguns, rifles and shotguns. Distinctive blue Nyflex bristles flex more than bronze, letting you scrub back and forth without fear of getting the brush stuck in the bore. Easily scrubs out all types of fouling, and the brass wire brush core won't scratch the bore. Handgun and rifle brushes have 8-32 male threads, and shotgun brushes have 5/16-27 male threads. Sold as single brushes.

# IOSSO NYFLEX RIFLE BORE BRUSHES Safety Instruction Guide

## Introduction

Thank you for choosing the IOSSO NYFLEX RIFLE BORE BRUSHES. This guide provides essential information on the safe use, installation, and disposal of the product. By following these instructions, you can ensure a safe and effective cleaning experience for your firearms.

## General Safety Guidelines

- Always handle firearms with care and treat every firearm as if it is loaded.
- Keep the bore brushes out of reach of children and unauthorized users.
- Inspect the bore brush before each use for any signs of wear or damage.
- Use the bore brushes only for their intended purpose—cleaning the bores of rifles, handguns, and shotguns.
- Ensure that the firearm is unloaded before using the bore brush.
- Avoid using excessive force when cleaning to prevent damage to the bore or brush.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Injury from improper handling or use of the bore brush.
- Damage to the firearm bore if excessive force is applied.

### • To Avoid Hazards:

- Always follow the manufacturer's instructions for use.
- Do not leave the bore brush in the bore for extended periods.
- Ensure that the brush is properly attached to the cleaning rod before use.
- If the brush gets stuck, do not pull forcefully; instead, carefully remove the cleaning rod and brush from the bore.

### • Warnings:

- This product is not intended for children. Keep out of reach of minors.
- If you experience any discomfort or injury while using the product, discontinue use immediately and seek assistance.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the IOSSO NYFLEX RIFLE BORE BRUSH, cleaning rod, and cleaning solvent.

### 2. Attaching the Bore Brush:

- Select the appropriate bore brush for your firearm caliber (7mm, .286 Cal).
- Attach the bore brush to the cleaning rod using the 832 male threads for rifles and handguns or

5/1627 male threads for shotguns.

### **3. Using the Bore Brush:**

- Apply a small amount of cleaning solvent to the bore brush.
- Insert the bore brush into the firearm's bore, ensuring it goes in smoothly.
- Scrub the bore back and forth gently, allowing the Nyflex bristles to flex and clean effectively without getting stuck.
- After cleaning, remove the bore brush from the firearm.

### **4. PostUse Care:**

- Clean the bore brush with warm, soapy water and allow it to dry completely before storage.
- Store the bore brush in a cool, dry place away from direct sunlight.

## **Disposal Instructions**

- Dispose of any damaged or worn bore brushes according to local regulations.
- Do not dispose of bore brushes in regular household waste if they are deemed hazardous.
- Check with local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the IOSSO NYFLEX RIFLE BORE BRUSHES, please consult your retailer or the manufacturer's website for additional assistance.

By adhering to these safety instructions, you can ensure a safe and effective cleaning experience with your IOSSO NYFLEX RIFLE BORE BRUSHES. Thank you for prioritizing safety while maintaining your firearms.
