## IOSSO SHOTGUN BRUSH .410GA

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Tough, long-lasting bore brushes thoroughly clean handguns, rifles and shotguns. Distinctive blue Nyflex bristles flex more than bronze, letting you scrub back and forth without fear of getting the brush stuck in the bore. Easily scrubs out all types of fouling, and the brass wire brush core won't scratch the bore. Handgun and rifle brushes have 8-32 male threads, and shotgun brushes have 5/16-27 male threads. Sold as single brushes.

# IOSSO NYFLEX SHOTGUN BORE BRUSHES Safety Instructions

## Introduction

Thank you for choosing the IOSSO NYFLEX SHOTGUN BORE BRUSHES. This product is designed to provide effective cleaning for shotguns, ensuring optimal performance and longevity. It is important to follow the safety instructions outlined in this guide to ensure safe and proper use of the product.

## General Safety Guidelines

- Always use the bore brush as intended and according to the instructions.
- Keep the bore brush out of reach of children and vulnerable individuals.
- Regularly inspect the bore brush for any signs of wear or damage before use.
- If the bore brush becomes damaged, discontinue use immediately and replace it.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before using the bore brush.
- Do not use the bore brush on a hot barrel to avoid injury.
- Use the bore brush with care to avoid damaging the firearm's bore.
- Avoid excessive force when scrubbing to prevent bristle breakage.
- Follow the manufacturer's instructions for the correct threading and attachment of the brush.
- Do not leave the bore brush unattended while in use.

## Instructions for Installation and Usage

### • Installation:

1. Ensure that the firearm is completely unloaded.
2. Select the appropriate bore brush for your shotgun (.410GA).
3. Attach the bore brush to a cleaning rod with a 5/1627 male thread.

### • Usage:

1. Insert the bore brush into the barrel of the shotgun.
2. Gently scrub back and forth to remove fouling and debris.
3. After cleaning, remove the bore brush from the barrel.
4. Clean the bore brush after use and store it in a dry place.

## Disposal Instructions

- Dispose of the bore brush responsibly, following local regulations for the disposal of cleaning supplies.
- Do not dispose of the bore brush in regular household waste if it is damaged or contains hazardous materials.

## Contact Information for Further Support

For any inquiries or concerns regarding the IOSSO NYFLEX SHOTGUN BORE BRUSHES, please refer to the product packaging for contact details of the manufacturer. It is important to have a point of contact for any

safetyrelated questions or issues.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
