

# AR-15/ 308 AR TUBE BRUSH PACK - IOSSO PRODUCTS

## AR-15/AR-308 GAS TUBE BRUSH REFILL PACK

[Gun Cleaning & Chemicals](#) > [Cleaning Kits](#) > [Rifle Cleaning Kits](#)

Clean the gas tube without disassembly. Insert the clear Guide Tube (included in the AR Cleaning Kit) over the end of the Gas Tube. Hold the end of the gas tube brush close to the bristles and slowly feed the brush through with short strokes until it reaches the end. Repeat this step if necessary. Please note: You need to have the clear guide tube in order to feed the brush down the gas tube properly. This is included in the AR Cleaning Kits. This kit serves as replacement brushes for the kit.

# Safety Instruction Guide for AR15/308 AR Tube Brush Pack

## Introduction

Thank you for choosing the AR15/308 AR Tube Brush Pack by IOSSO PRODUCTS. This product is designed to help you clean the gas tube of your rifle effectively and safely. Please read this safety instruction guide carefully to ensure proper usage and to understand the safety measures associated with this product.

## General Safety Guidelines

- Always use the product as intended and according to the instructions provided.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product before use. Do not use if damaged or defective.
- Report any unsafe product conditions or accidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the firearm is completely unloaded before using the brush.
- Use the clear Guide Tube included in the AR Cleaning Kit to avoid damage to the gas tube.
- Do not force the brush through the gas tube. Use gentle, short strokes to avoid obstruction.
- Avoid using the brush with excessive force, as this may cause bristles to break or damage the gas tube.
- Always wear appropriate personal protective equipment, such as safety glasses, when cleaning.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools, including the AR Cleaning Kit and the AR Tube Brush Pack.

### 2. Using the Guide Tube

- Insert the clear Guide Tube over the end of the Gas Tube. This is essential for proper brush insertion.

### 3. Inserting the Brush

- Hold the end of the gas tube brush close to the bristles.
- Slowly feed the brush through the gas tube using short strokes until it reaches the end.
- If necessary, repeat this step to ensure thorough cleaning.

### 4. PostCleaning

- After cleaning, remove the brush and inspect it for any damage.
- Store the brush properly in a dry place to prevent damage.

## Disposal Instructions

- Dispose of used brushes and any packaging materials in accordance with local waste disposal regulations.
- Do not dispose of brushes in a manner that may cause environmental harm.

## **Contact Information for Further Support**

For any inquiries or safety concerns regarding the AR15/308 AR Tube Brush Pack, please refer to the product packaging or the manufacturer's website for contact information.

Thank you for your attention to these safety instructions. Proper use and care of your AR15/308 AR Tube Brush Pack will ensure its effectiveness and longevity. Happy cleaning!
