

IOSSO NYFLEX RIFLE BORE BRUSHES - IOSSO PRODUCTS IOSSO RIFLE BRUSH 50 BGM

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Tough, long-lasting bore brushes thoroughly clean handguns, rifles and shotguns. Distinctive blue Nyflex bristles flex more than bronze, letting you scrub back and forth without fear of getting the brush stuck in the bore. Easily scrubs out all types of fouling, and the brass wire brush core won't scratch the bore. Handgun and rifle brushes have 8-32 male threads, and shotgun brushes have 5/16-27 male threads. Sold as single brushes.

IOSSO NYFLEX RIFLE BORE BRUSHES Safety Instruction Guide

Introduction

Thank you for choosing the IOSSO NYFLEX RIFLE BORE BRUSHES. These brushes are designed to provide effective cleaning for handguns, rifles, and shotguns. This safety instruction guide aims to ensure the safe use of the product, in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully to understand the safe handling, usage, and disposal of the bore brushes.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose: cleaning firearm bores.
- Always keep bore brushes out of reach of children and vulnerable individuals.
- Inspect the brushes before each use for any signs of wear or damage. Do not use if damaged.
- Use the brushes in a wellventilated area to avoid inhalation of any debris or cleaning residue.
- Follow all local laws and regulations regarding the cleaning and maintenance of firearms.

Specific Safety Precautions for Use

- **Avoid Injury:**
 - Do not insert the brush into the bore with excessive force.
 - Always ensure that the firearm is unloaded before cleaning.
- **Prevent Damage:**
 - Do not use the brushes on surfaces that are not designed for cleaning.
 - Avoid using the brushes on hot or heated surfaces to prevent melting of bristles.
- **Chemical Safety:**
 - If using cleaning solvents, ensure they are compatible with the materials of the brush.
 - Follow the manufacturer's instructions on the use of any cleaning solvents.
- **Thread Compatibility:**
 - Ensure that the brush threads (832 for handguns and rifles, 5/1627 for shotguns) are compatible with your cleaning rod to avoid damage.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the bore brush, cleaning rod, and any cleaning solvents.

2. Installation:

- Select the appropriate bore brush for your firearm caliber.
- Attach the bore brush to the cleaning rod by screwing it onto the compatible thread securely.

3. Usage:

- Insert the bore brush into the firearm bore gently.
- Move the brush back and forth in a scrubbing motion to clean the bore thoroughly.
- Remove the brush from the bore and clean it as necessary.

4. PostCleaning:

- After cleaning, inspect the bore for any remaining fouling.
- Store the bore brushes in a dry place, away from children and pets.

Disposal Instructions

- Dispose of any used bore brushes in accordance with local regulations.
- Do not dispose of the brushes in household waste if they are contaminated with hazardous materials.
- Consider recycling options for the brushes if available.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the manufacturer's contact information found on the product packaging or the official website.

Thank you for following these safety instructions. Your compliance ensures not only your safety but also the longevity of the IOSSO NYFLEX RIFLE BORE BRUSHES.
