# Safety Instruction Guide for 1100/1187 Barrel Seals

## Introduction

Thank you for choosing the 1100/1187 Barrel Seals for your Remington 1100/1187 shotgun. These seals are designed to keep your firearm functioning optimally. This guide provides essential safety instructions to ensure safe usage and proper maintenance of the product.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before performing any maintenance or installation of the barrel seals.
- Keep the barrel seals out of reach of children and unauthorized users.
- Inspect the seals regularly for wear and tear. Replace them if they show signs of damage.
- Follow all local laws and regulations regarding firearm maintenance and usage.
- Be aware of your surroundings when handling firearms. Always prioritize safety.

## Specific Safety Precautions for Use

- **Hazard Identification:** Improper installation or use of barrel seals can lead to firearm malfunctions, which may cause injury.
- **Avoiding Hazards:**
  - Ensure the seals are installed correctly to prevent gas leaks.
  - Do not use the firearm with worn or damaged seals.
  - Always check the seals before each use of the firearm.
- **Audience Specific Warnings:** These products are not intended for use by individuals under the age of 18. Always supervise younger users when handling firearms.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Remove the existing seals if they are worn or damaged.
- Clean the area where the seals will be installed to ensure a proper fit.
- Carefully install the new barrel seals, ensuring they are seated properly.
- Check for any gaps or misalignments.

### 2. Usage:

- After installation, perform a function check to ensure the firearm operates correctly.
- Always monitor the performance of the seals during use. If you notice any issues, stop using the firearm and inspect the seals.
- If you experience excessive gas blowback or other malfunctions, discontinue use until the seals have been inspected or replaced.

## Disposal Instructions

- Dispose of old or damaged barrel seals in accordance with local waste disposal regulations.
- Do not incinerate the seals, as they may release harmful substances when burned.
- Consider recycling options if available in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the 1100/1187 Barrel Seals, please refer to the manufacturer's website or customer service resources for assistance.

Thank you for prioritizing safety and following these guidelines. Enjoy using your Remington 1100/1187 shotgun responsibly.
