

# REMINGTON 700 OVERSIZED RECOIL LUG - REMINGTON 700 STANDARD RECOIL LUG STAINLESS

[Rifle Parts](#) > [Receiver Parts](#) > [Recoil Parts](#) > [Recoil Lugs](#)

## Standard Or .015 Overbore; Easy Installation Without Modifying Stock; Improves Accuracy

Straight, non-tapered recoil lug fits most factory stocks and full-length aluminum bedding blocks without time consuming alterations. Engineered to be slightly thicker than the factory part for added stiffness that prevents flexing for improved accuracy. Surface ground perfectly flat for superior centerline tracking during recoil for consistent accuracy. Standard size matches overall factory bore dimensions, except for thickness. Overbore has the same basic dimensions as the standard size, except bore I.D. is .015" larger to fit barrels with oversized thread dimensions. Gunsmith installation required.

## Attributes

- Name: [REMINGTON 700 STANDARD RECOIL LUG STAINLESS](#)
- Manufacturer: [BROWNELLS](#)
- Product no.: 078000029
- Mfr. No.: 100019

# REMINGTON 700 Oversized Recoil Lug Safety Instructions

## Introduction

Thank you for choosing the REMINGTON 700 Oversized Recoil Lug. This product is designed to enhance the performance of your firearm by providing improved accuracy and stability. To ensure your safety and the proper functioning of the recoil lug, please read and follow these safety instructions carefully.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of this recoil lug by following all instructions. This product is not a food item and should be treated with care.
- **Enhanced Recalls:** In the unlikely event of a recall, you will be notified through standardized notices. Please check for updates regularly.
- **Online Shopping Protections:** If purchased online, ensure that the seller complies with safety standards equivalent to those of physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries regarding this product, please refer to the designated EU contact point provided by the manufacturer.
- **Rapid Alerts:** Stay informed about any safety updates or alerts regarding this product through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Installation Warning:** Gunsmith installation is required for this recoil lug. Improper installation may lead to accidents or firearm malfunction.
- **Personal Protective Equipment (PPE):** Always wear appropriate PPE, including safety glasses and gloves, when handling and installing the recoil lug.
- **Firearm Safety:** Ensure that your firearm is unloaded and pointed in a safe direction during installation.
- **Inspection:** Regularly inspect the recoil lug for signs of wear or damage. Do not use if damaged.
- **Compatibility Check:** Ensure that the recoil lug is compatible with your specific model of the REMINGTON 700.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and equipment.
- Ensure a clean and welllit workspace.

### 2. Installation Steps:

- **Remove the Stock:** Carefully detach the stock from the firearm.
- **Remove the Existing Recoil Lug:** If applicable, remove the factory recoil lug by following the manufacturer's guidelines.
- **Install the Oversized Recoil Lug:**
  - Align the oversized recoil lug with the bedding block.
  - Ensure it fits snugly without gaps.
- **Reattach the Stock:** Once the recoil lug is securely in place, reattach the stock to the firearm.
- **Check Functionality:** Ensure that the firearm operates smoothly and that the recoil lug does not interfere with any other components.

### 3. Usage:

- After installation, test the firearm in a controlled environment.
- Monitor accuracy and stability during use.

## Disposal Instructions

- **Environmental Responsibility:** Dispose of any packaging materials and the old recoil lug in accordance with local regulations.
- **Recycling:** If applicable, recycle any metal components where facilities exist.

## Contact Information for Further Support

For further assistance or inquiries about safety concerns related to the REMINGTON 700 Oversized Recoil Lug, please consult the manufacturer's support resources or your local firearms expert.

Thank you for prioritizing safety and performance with your firearm. Enjoy your shooting experience responsibly!
