## Introduction

Thank you for purchasing the 1911 70 Series Extractor. This guide provides essential safety instructions and usage information to ensure safe handling and operation of the product. Please read this guide carefully before use.

## General Safety Guidelines

- Always handle the extractor with care, as it is a precision component designed for firearms.
- Ensure that the firearm is unloaded before installing or handling the extractor.
- Store the extractor in a safe location away from children and unauthorized users.
- Regularly inspect the extractor for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm components and modifications.

## Specific Safety Precautions for Use

- Do not attempt to modify or alter the extractor in any way, as this may compromise its integrity and functionality.
- Ensure that you are using the extractor with compatible 70 series 1911 models only.
- Wear appropriate safety gear, including eye protection, when working with firearms and their components.
- Be aware of your surroundings and ensure that you are in a safe environment when handling firearms.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools for installation, including a punch tool and hammer.

### 2. Installation Steps:

- Remove the old extractor from the firearm using the punch tool to drive out the retaining pin.
- Align the new extractor with the extractor slot in the slide.
- Insert the retaining pin through the extractor and slide to secure it in place.
- Ensure the extractor is properly seated and functions smoothly.

### 3. PostInstallation Check:

- Perform a function check to ensure the extractor is operating correctly.
- Cycle the action of the firearm to confirm proper extraction of spent cartridges.

### 4. Usage:

- Use the firearm in accordance with the manufacturer's instructions and safety guidelines.
- Regularly maintain the extractor and the firearm to ensure optimal performance.

## Disposal Instructions

- Dispose of any damaged or worn extractors in accordance with local regulations.

- Do not dispose of extractors in regular household waste. Instead, consult local authorities for proper disposal methods.
