Introduction

Thank you for choosing the 1911 80 Series Extractor by Brownells. This product is designed for use with 80 series 1911 pistols, ensuring reliable extraction and longlasting performance. To ensure your safety and the safe operation of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always handle firearms with care and respect. Treat every firearm as if it were loaded.
- Ensure that you are familiar with the operation of your specific 1911 pistol model before installation.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect your extractor for signs of wear or damage.
- Use only compatible parts and accessories with your 1911 pistol.
- In case of any malfunction, cease use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper installation may lead to malfunctions, which can cause injury or damage.
- Using incompatible parts could affect the safety and performance of your firearm.

- **Avoiding Hazards:**

- Always ensure the firearm is unloaded before attempting any installation or maintenance.
- Follow all manufacturer instructions and guidelines during installation.
- Do not attempt to modify or alter the extractor beyond its intended use.

- **AgeSpecific Warnings:**

- This product is intended for adult use only. Minors should not handle or operate firearms without adult supervision and proper training.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove the slide from the frame of the pistol according to the manufacturer's instructions.
- Carefully remove the old extractor, if applicable, by following the specific disassembly instructions for your model.
- Install the new extractor by aligning it properly in the extractor channel.
- Reassemble the slide and frame, ensuring all parts are securely in place.
- Test the functionality of the extractor with dummy rounds before live firing.

2. Usage:

- Regularly clean and maintain your extractor to ensure optimal performance.
- Monitor the extractor for any signs of wear or damage during routine checks.
- If you experience extraction failures or other issues, consult a qualified gunsmith for evaluation.

Disposal Instructions

- Dispose of any damaged or worn extractors in accordance with local regulations.
- Do not dispose of firearms or firearm components in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods for firearm parts.
