

# SMITH & WESSON DELUXE REAR SIGHT REBUILD KIT - BROWNELLS DELUXE REAR SIGHT REBUILD KIT FOR S&W REVOLVERS

[Handgun Parts](#) > [Sights](#) > [Sight Parts](#) > [Sight Parts Kits](#)

## Everything You Need To Rebuild S&W Rear Sights

The right hardware and tools to properly rebuild and repair Smith & Wesson rear sights with ease and accuracy. The kit features the necessary windage nuts, windage screws, rear sight plunger, rear sight plunger spring, rear sight elevation stud, and rear sight spring clip. The kit also includes special tools to correctly install these parts. The S&W Sight Nut Spanner is a unique, MAGNA-TIP® bit that fits the windage nut securing the rear sight leaf. The S&W Sight Staking Punch eliminates the chance the rear sight will come off when adjusting the windage on Smith & Wesson revolvers; Sight Staking Punch also available separately.

# SMITH & WESSON DELUXE REAR SIGHT REBUILD KIT Safety Instruction Guide

## Introduction

Thank you for purchasing the Smith & Wesson Deluxe Rear Sight Rebuild Kit from Brownells. This guide provides essential safety instructions to ensure the safe use, installation, and maintenance of your product. Please read this guide carefully before using the kit to avoid potential hazards and ensure optimal performance.

## General Safety Guidelines

- Ensure that you are using the product in accordance with the manufacturer's instructions.
- Keep the kit out of reach of children and vulnerable individuals.
- Inspect all components for damage or wear before use.
- Use appropriate personal protective equipment (PPE) such as safety glasses when handling tools.
- Do not modify or alter any part of the kit.
- Store the kit in a dry and secure location when not in use.
- Report any unsafe conditions or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before attempting any repairs or adjustments.
- Handle all tools with care to prevent injury.
- When using the S&W Sight Nut Spanner, ensure it is securely fitted to the windage nut before applying force.
- The S&W Sight Staking Punch should be used with caution to avoid damaging the sight or causing injury.
- Avoid working in a cluttered or poorly lit environment to minimize the risk of accidents.
- If you are unfamiliar with firearm maintenance, seek assistance from a qualified professional.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools and components from the kit.
- Ensure that you have a clean and organized workspace.

### 2. Disassembly of Rear Sight

- Carefully remove the existing rear sight from the firearm.
- Keep all removed parts in a safe location for reassembly.

### 3. Installation of New Components

- Use the S&W Sight Nut Spanner to install the windage nuts and screws, ensuring they are tightened securely.
- Insert the rear sight plunger and spring into the designated location.
- Attach the rear sight elevation stud and secure it with the rear sight spring clip.
- Doublecheck that all parts are correctly installed and functioning.

### 4. Adjustment

- Utilize the S&W Sight Staking Punch to make necessary adjustments to the rear sight.

- Ensure that adjustments are made slowly and carefully to avoid damaging the sight.

## **5. Final Inspection**

- After installation, inspect the rear sight to ensure that all components are securely in place.
- Test the functionality of the rear sight before using the firearm.

## **Disposal Instructions**

- Dispose of any damaged or unused components in accordance with local regulations.
- Do not dispose of any parts in regular household waste.
- Check with local authorities for proper disposal methods for tools and firearm components.

## **Contact Information for Further Support**

For additional support or safety inquiries, please refer to the manufacturer's contact information provided with the product packaging or visit the manufacturer's website.

By following this safety instruction guide, you can ensure the safe and effective use of the Smith & Wesson Deluxe Rear Sight Rebuild Kit. Thank you for prioritizing safety and responsible firearm maintenance.
