Safety Instruction Guide for AR15/M16 Bolt Gas Rings

Introduction

Thank you for choosing the AR15/M16 Bolt Gas Rings by Brownells. This product is designed to enhance the performance of your AR15 rifle. To ensure safe and effective use, please read this safety instruction guide carefully. It outlines important safety guidelines, precautions, and instructions for installation and usage.

General Safety Guidelines

- Always handle firearms with care and follow all safety protocols.
- Ensure that the rifle is unloaded before performing any maintenance or installation.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the gas rings for wear and replace them if necessary.
- Be aware of the potential hazards associated with improper installation or use.

Specific Safety Precautions for Use

- Use only compatible parts for your AR15 rifle to avoid malfunctions.
- Do not modify the gas rings or use them in a manner not specified by the manufacturer.
- Wear appropriate safety gear, such as eye protection, when handling firearms.
- Always store firearms in a secure location to prevent unauthorized access.
- If you experience any issues with the product, discontinue use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation Steps

1. **Prepare Your Workspace:** Ensure your workspace is clean and free from distractions. Have all necessary tools ready for installation.
2. **Unload the Rifle:** Confirm that your AR15 rifle is completely unloaded. Remove the magazine and check the chamber.
3. **Remove the Bolt Carrier Group (BCG):** Take out the BCG from the rifle to access the bolt assembly.
4. **Remove Old Gas Rings:** Carefully remove the old gas rings from the bolt. Dispose of them properly.
5. **Install New Gas Rings:**
 - Take the new gas rings from the package.
 - Align the rings with the grooves on the bolt and slide them into place.
 - Ensure that the rings are seated properly and are not twisted.
6. **Reassemble the Bolt Carrier Group:** Once the new gas rings are installed, reassemble the BCG and place it back into the rifle.
7. **Function Check:** After reassembly, perform a function check to ensure that the rifle operates correctly.

Usage Guidelines

- Regularly clean and maintain your rifle to ensure optimal performance.
- Inspect the gas rings periodically for signs of wear or damage.
- Replace gas rings as needed to maintain reliable operation of your rifle.

Disposal Instructions

- Dispose of old gas rings and any packaging materials in accordance with local regulations.

- Do not dispose of any product components in household waste. Check for local recycling programs for proper disposal.

Contact Information for Further Support

For any inquiries regarding safety or product performance, please refer to the manufacturer's website or customer support resources.

By following these safety instructions, you can ensure a safe and effective experience with your AR15/M16 Bolt Gas Rings. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
