Safety Instruction Guide for AR15/M16 Detent Takedown Springs

Introduction

Thank you for choosing the AR15/M16 Detent Takedown Springs from BROWNELLS. This guide provides essential safety instructions and information to ensure safe usage and maintenance of the product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Store the springs in a cool, dry place away from moisture and extreme temperatures.
- Keep the product out of reach of children and vulnerable individuals.
- Always wear appropriate safety gear when handling firearms or firearm components.
- Regularly inspect the springs for any signs of wear or damage before use.
- In case of any doubts regarding safety or installation, consult a professional.

Specific Safety Precautions for Use

- Only use these springs with compatible AR15/M16 models to avoid malfunction.
- Do not modify the springs or use them in a manner not intended by the manufacturer.
- Handle all firearm components with care to prevent accidental discharge or injury.
- Be aware of your surroundings and ensure a safe environment when working with firearms.
- If you experience any issues with the springs, cease use immediately and seek assistance.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a punch tool and a small hammer.

2. Installation:

- Remove the existing takedown springs from the firearm using the punch tool.
- Carefully insert the new detent takedown springs into the appropriate location.
- Use the punch tool to ensure the springs are seated properly.

3. Testing:

- Once installed, test the functionality of the springs by operating the takedown mechanism.
- Ensure that the springs return to their original position and function smoothly.

4. Maintenance:

- Regularly check the springs for any signs of wear or damage.
- Clean the area around the springs to prevent dirt and debris from affecting performance.

Disposal Instructions

- Dispose of any damaged or worn springs in accordance with local regulations.
- Do not dispose of the springs in regular household waste.

- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the AR15/M16 Detent Takedown Springs, please refer to the manufacturer or retailer from whom the product was purchased. They can provide further assistance and information.

By following these safety instructions, you can ensure the safe and effective use of your AR15/M16 Detent Takedown Springs. Thank you for prioritizing safety and responsible firearm handling.
