Safety Instruction Guide for AR15 A3 Elevation Index Spring 3Pak

Introduction

Thank you for choosing the AR15 A3 Elevation Index Spring 3Pak by Brownells. This guide provides essential safety information and instructions to ensure the safe use and maintenance of your replacement springs. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that all firearms and their components are handled safely and responsibly.
- Always follow the manufacturer's instructions and guidelines when using firearm parts.
- Store springs and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the springs for any signs of wear or damage before use.
- In case of any uncertainty regarding the product's safety, consult a qualified professional.

Specific Safety Precautions for Use

- Only use the AR15 A3 Elevation Index Springs in compatible AR15 models.
- Do not attempt to modify or alter the springs in any way.
- Handle the springs with care to avoid injury from sharp edges or recoil.
- Always wear appropriate safety gear, including eye protection, when working with firearms.
- Ensure that the firearm is unloaded and pointed in a safe direction during installation.

Instructions for Installation and Usage

1. Preparation:

- Ensure your workspace is clean and organized.
- Gather all necessary tools for installation, such as a screwdriver and a cleaning cloth.

2. Installation Steps:

- Verify that the firearm is unloaded and clear of any ammunition.
- Remove the existing elevation index spring from the AR15 by following the manufacturer's disassembly instructions.
- Take the new AR15 A3 Elevation Index Spring from the package.
- Carefully install the new spring into the designated area, ensuring it is seated properly.
- Reassemble the firearm according to the manufacturer's guidelines.

3. PostInstallation Check:

- After installation, conduct a thorough inspection to ensure that all components are securely in place.
- Perform a function check of the firearm to ensure that it operates correctly with the new spring.

Disposal Instructions

- Dispose of any old or damaged springs in accordance with local regulations.
- Do not dispose of springs in regular household waste. Instead, consider recycling options if available.
- Ensure that all disposed components are out of reach of children and pets.

Contact Information for Further Support

For any inquiries regarding the safety, use, or maintenance of the AR15 A3 Elevation Index Springs, please refer to the manufacturer's official contact methods.

By following these guidelines, you can ensure a safe and effective experience with your AR15 A3 Elevation Index Springs. Thank you for your attention to safety and for choosing our product.
