[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

BROWNELLS AR-15 20RD MAGAZINE SS 223/5.56 A battle rifle is only as reliable as its magazine – make sure the one in your rifle is from Brownells. When the difference between a “bang” and a “click” is life and death, a magazine failure is more than inconvenient – it can be fatal. So when we decided to build our own AR-15/M16 magazines, reliability was our first priority. Some of us have sons and daughters serving overseas or in law enforcement, and we aimed to build the kind of magazine we’d trust their lives with. We started with a clean slate, then worked out the bugs on the drawing board and the test range before we offered a single mag for sale, so you get a magazine of uncompromising quality and reliability that’s built to last and ready to run hard. When failure is not an option, these magazines deliver on the range, in the field, in a tactical situation, under fire. Load these smooth-feeding magazines to maximum capacity. No jams, no misfeeds, no hangups. All components are made of mil-spec materials and are manufactured under strict, ISO quality control standards. The heat-treated, welded aluminum body is hard-anodized for superior corrosion resistance, then given a tough, dry-lube coating to eliminate the need for additional lubricants that would attract dust, sand, or dirt. The latest military-type, glass-fiber reinforced composite follower further guarantees flawless feeding in the harshest tactical conditions. Available in standard military Gray. Since we manufacture these mags ourselves, we can maintain a large inventory. So, if you need magazines in a hurry, even in quantity, we can get them to you ASAP. SPECS: Aluminum body Hard-anodized, dry-lube coating. Fiberglass-filled plastic follower. Available in stainless steel (SS) spring. 20-round magazines capacities.

## Attributes

- Name: [BROWNELLS AR-15 MAGAZINE SS 223/5.56 20RD ALUMINUM GRAY 25 PACK](#)

# Safety Instruction Guide for AR15 20RD MAGAZINE SS 223/5.56

## Introduction

Thank you for choosing the AR15 20RD MAGAZINE SS 223/5.56 from Brownells. This safety instruction guide is designed to ensure the safe use and handling of your magazine. It complies with the EU General Product Safety Regulation (GPSR) to provide you with essential safety information.

## General Safety Guidelines

- Always handle firearms and magazines with care and respect.
- Ensure that you are familiar with the operation of your firearm and magazine before use.
- Store magazines in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your magazine for signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure the magazine is compatible with your firearm model (AR15/M16).
- Do not attempt to modify or alter the magazine in any way.
- Always load magazines in a safe environment, away from people and flammable materials.
- Keep fingers and other body parts clear of the magazine's feed area during loading and unloading.
- Do not exceed the magazine's capacity; overloading can cause malfunctions.
- Always wear appropriate eye and ear protection when using firearms.

## Instructions for Installation and Usage

### 1. Loading the Magazine

- Ensure the magazine is clean and free from debris.
- Hold the magazine with the feed lips facing upwards.
- Insert cartridges one at a time into the magazine, ensuring they are seated properly.
- Do not exceed the capacity of 20 rounds.

### 2. Installing the Magazine in the Firearm

- Ensure the firearm is pointed in a safe direction and is unloaded.
- Align the magazine with the magazine well of the firearm.
- Press the magazine firmly into the well until it clicks into place.

### 3. Removing the Magazine from the Firearm

- Ensure the firearm is pointed in a safe direction.
- Press the magazine release button to disengage the magazine.
- Pull the magazine straight out of the magazine well.

### 4. Unloading the Magazine

- Ensure the firearm is pointed in a safe direction.
- Remove the magazine from the firearm.
- Carefully push the cartridges out of the magazine, one by one, or use a speed loader.

## **Disposal Instructions**

- Dispose of the magazine according to local regulations.
- If the magazine is damaged or no longer functional, do not attempt to repair it.
- Recycle materials when possible, following your local waste management guidelines.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please refer to the designated contact points provided by your retailer or manufacturer.

Thank you for your attention to these safety instructions. By following these guidelines, you help ensure a safe and enjoyable experience with your AR15 20RD MAGAZINE SS 223/5.56.
