BROWNELLS AR-15 20RD MAGAZINE SS 223/5.56 A battle rifle is only as reliable as its magazine – make sure the one in your rifle is from Brownells. When the difference between a “bang” and a “click” is life and death, a magazine failure is more than inconvenient – it can be fatal. So when we decided to build our own AR-15/M16 magazines, reliability was our first priority. Some of us have sons and daughters serving overseas or in law enforcement, and we aimed to build the kind of magazine we’d trust their lives with. We started with a clean slate, then worked out the bugs on the drawing board and the test range before we offered a single mag for sale, so you get a magazine of uncompromising quality and reliability that’s built to last and ready to run hard. When failure is not an option, these magazines deliver on the range, in the field, in a tactical situation, under fire. Load these smooth-feeding magazines to maximum capacity. No jams, no misfeeds, no hangups. All components are made of mil-spec materials and are manufactured under strict, ISO quality control standards. The heat-treated, welded aluminum body is hard-anodized for superior corrosion resistance, then given a tough, dry-lube coating to eliminate the need for additional lubricants that would attract dust, sand, or dirt. The latest military-type, glass-fiber reinforced composite follower further guarantees flawless feeding in the harshest tactical conditions. Available in standard military Gray. Since we manufacture these mags ourselves, we can maintain a large inventory. So, if you need magazines in a hurry, even in quantity, we can get them to you ASAP. SPECS: Aluminum body Hard-anodized, dry-lube coating. Fiberglass-filled plastic follower. Available in stainless steel (SS) spring. 20-round magazines capacities.

## Attributes

- Name: [BROWNELLS AR-15 MAGAZINE SS 223/5.56 20RD ALUMINUM GRAY 100PK](#)

# Safety Instruction Guide for AR15 20RD Magazine

## Introduction

Thank you for choosing the AR15 20RD Magazine from Brownells. This guide provides essential safety instructions to ensure the safe and effective use of your magazine. Please read this document carefully before use to understand the safety guidelines, precautions, and proper handling of the product.

## General Safety Guidelines

- Ensure that the magazine is compatible with your firearm before use.
- Always treat the magazine as if it is loaded, even when it is not.
- Keep the magazine out of reach of children and unauthorized users.
- Regularly inspect the magazine for any signs of damage or wear.
- Do not attempt to modify or disassemble the magazine.
- Always follow the manufacturer's instructions for loading and unloading the magazine.
- Use only the specified ammunition types (223 Remington, 5.56 mm NATO) for this magazine.
- Store the magazine in a cool, dry place away from direct sunlight and moisture.

## Specific Safety Precautions for Use

- **Loading the Magazine:**

- Load the magazine in a safe area, away from people and pets.
- Ensure that the magazine is pointed in a safe direction while loading.
- Do not exceed the maximum capacity of 20 rounds.

- **Using the Magazine:**

- Always ensure that the firearm is pointed in a safe direction when inserting or removing the magazine.
- Do not engage the trigger while loading or unloading the magazine.
- Avoid using excessive force when loading ammunition into the magazine to prevent jams.

- **During Use:**

- Be aware of your surroundings and ensure a clear line of fire.
- If you experience a malfunction, such as a jam or misfeed, follow proper clearing procedures.
- Never attempt to remove a jammed round with your fingers; use appropriate tools instead.

## Instructions for Installation and Usage

- **Installation:**

- Align the magazine with the magazine well of your AR15.
- Push the magazine firmly into place until you hear an audible click indicating it is secured.

- **Usage:**

- To remove the magazine, press the magazine release button on your firearm.
- Pull the magazine straight out of the magazine well.
- Always store the magazine unloaded when not in use.

## **Disposal Instructions**

- Dispose of the magazine in accordance with local regulations regarding metal recycling or hazardous waste.
- If the magazine is damaged beyond repair, do not attempt to use it. Dispose of it safely to prevent accidental use.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the AR15 20RD Magazine, please refer to the manufacturer's website or contact their customer support service.

## **Conclusion**

By following the guidelines and precautions outlined in this safety instruction guide, you can ensure a safe and reliable experience with your AR15 20RD Magazine. Always prioritize safety when handling firearms and ammunition. Thank you for your attention to these important safety measures.
