[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

BROWNELLS AR-15 20RD MAGAZINE SS 223/5.56 A battle rifle is only as reliable as its magazine - make sure the one in your rifle is from Brownells. When the difference between a "bang" and a "click" is life and death, a magazine failure is more than inconvenient - it can be fatal. So when we decided to build our own AR-15/M16 magazines, reliability was our first priority. Some of us have sons and daughters serving overseas or in law enforcement, and we aimed to build the kind of magazine we'd trust their lives with. We started with a clean slate, then worked out the bugs on the drawing board and the test range before we offered a single mag for sale, so you get a magazine of uncompromising quality and reliability that's built to last and ready to run hard. When failure is not an option, these magazines deliver on the range, in the field, in a tactical situation, under fire. Load these smooth-feeding magazines to maximum capacity. No jams, no misfeeds, no hangups. All components are made of mil-spec materials and are manufactured under strict, ISO quality control standards. The heat-treated, welded aluminum body is hard-anodized for superior corrosion resistance, then given a tough, dry-lube coating to eliminate the need for additional lubricants that would attract dust, sand, or dirt. The latest military-type, glass-fiber reinforced composite follower further guarantees flawless feeding in the harshest tactical conditions. Available in standard military Gray. Since we manufacture these mags ourselves, we can maintain a large inventory. So, if you need magazines in a hurry, even in quantity, we can get them to you ASAP. SPECS: Aluminum body Hard-anodized, dry-lube coating. Fiberglass-filled plastic follower. Available in stainless steel (SS) spring. 20-round magazines capacities.

## Attributes

- Name: [BROWNELLS AR-15 MAGAZINE SS 223/5.56 20RD ALUMINUM GRAY 10 PACK](#)
- Manufacturer: [BROWNELLS](#)
- Product no.: 078000186

# Consumer Safety Instruction Guide for AR15 20RD MAGAZINE

## Introduction

Thank you for choosing the AR15 20RD Magazine from Brownells. This guide provides essential safety instructions to ensure the safe use of your magazine. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that the magazine is compatible with your firearm model.
- Always treat the magazine as if it is loaded.
- Store the magazine in a secure location, away from children and unauthorized users.
- Regularly inspect the magazine for wear and damage before use.
- Follow all local laws and regulations regarding ammunition and firearm accessories.

## Specific Safety Precautions for Use

- **Avoid Overloading:** Do not exceed the magazine's capacity of 20 rounds.
- **Check for Obstructions:** Before loading, ensure the magazine and firearm are free from debris or obstructions.
- **Proper Handling:** Always handle the magazine with care to prevent accidental discharge.
- **Use Approved Ammunition:** Only use ammunition that is compatible with .223 Remington or 5.56 mm NATO specifications.
- **Firearm Compatibility:** Ensure your firearm is designed for use with AR15 magazines.

## Instructions for Installation and Usage

### 1. Loading the Magazine:

- Hold the magazine firmly in one hand.
- Insert rounds into the magazine, ensuring they are oriented correctly.
- Push each round down until it clicks into place.
- Do not force rounds into the magazine.

### 2. Inserting the Magazine:

- Ensure the firearm is in a safe condition (e.g., safety on, unloaded).
- Align the magazine with the magazine well of the firearm.
- Push the magazine firmly into the magazine well until it clicks.

### 3. Removing the Magazine:

- Ensure the firearm is pointed in a safe direction.
- Press the magazine release button.
- Grasp the magazine and pull it straight out of the magazine well.

### 4. Maintenance:

- Clean the magazine regularly to maintain performance.
- Use a dry cloth to remove dirt and debris.
- Avoid using liquids that may attract dust or dirt.

## **Disposal Instructions**

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged or no longer functional, do not attempt to repair it. Instead, follow proper disposal methods for metal and plastic components.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the AR15 20RD Magazine, please refer to the manufacturer's contact information provided on the product packaging or visit the manufacturer's website.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of your AR15 20RD Magazine. Always prioritize safety and compliance with local laws when handling firearms and accessories. Thank you for choosing Brownells.
