

# AR-15 MOE STOCK ASSY COLLAPSIBLE MIL-SPEC - BROWNELLS

## AR-15 MOE MIL-SPEC COLLAPSIBLE STOCK ASSEMBLY FDE

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

Magpul Original Equipment (MOE) carbine buttstock provides the quality, durability, and ergonomic benefits of Magpul's CTR stock in a rugged, economical, drop-in package. Strong, A-frame design is lightweight and comfortable, yet provides operator with plenty of support. Comb contour is wider than standard issue M4 stock to help shooter maintain a solid, consistent cheekweld. Streamlined exterior and protected release lever won't snag on clothing, gear, vehicle interior, or vegetation. Heavy duty, spring-loaded release lever allows fast length-of-pull adjustments and won't dig into your hand. Impact- and heat-resistant, polymer construction includes molded-in reinforcements at stress points, plus two slots for web slings and a hole for a toe-mounted sling swivel or clip-on sling. Soft, synthetic rubber buttpad increases comfort and helps prevent slippage. Available in Black, Dark Earth, and O.D. Green. The MOE Carbine Buttstock Kit includes the following items: Mil-Spec Buffer Tube Carbine Buffer Chrome Silicone M-4 Recoil Spring Receiver End Plate Receiver Extension Castle Nut

# Safety Instruction Guide for AR15 MOE Stock Assembly

## Introduction

Thank you for choosing the AR15 MOE Stock Assembly. This product is designed to enhance your shooting experience with quality, durability, and ergonomic benefits. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please read this safety instruction guide carefully before installation and use.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the AR15 MOE Stock Assembly by following the instructions provided in this guide.
- **Enhanced Recalls:** Be aware of any recall notices related to this product. If you receive a recall notice, please follow the instructions for returning or replacing the product.
- **Online Shopping:** If purchased online, ensure that the platform complies with safety requirements and provides adequate information regarding the product.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please contact the designated EU contact point provided by the retailer.
- **Rapid Alerts:** Stay informed about any updates regarding unsafe products through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Personal Protective Equipment:** Always wear appropriate safety gear, including eye protection and hearing protection, while using this product.
- **Check for Damage:** Before installation, inspect the stock assembly for any visible damage or defects. Do not use if damaged.
- **Proper Installation:** Follow the installation instructions carefully to ensure the stock is securely attached to the firearm.
- **Avoid Modifications:** Do not modify the stock assembly in any way, as this may compromise safety and performance.
- **Regular Maintenance:** Clean and maintain the stock assembly regularly to ensure optimal performance and longevity.
- **Storage:** Store the firearm with the stock assembly in a secure and safe location, away from unauthorized access.

## Instructions for Installation and Usage

### Installation Instructions

1. **Gather Tools:** Ensure you have the necessary tools for installation, including a wrench and screwdriver.
2. **Remove Existing Stock:** If applicable, remove the existing stock from your AR15 by loosening the castle nut and sliding off the old stock.
3. **Install Buffer Tube:** Attach the MilSpec Buffer Tube to the receiver extension, ensuring it is tightly secured.
4. **Attach the MOE Stock:** Slide the AR15 MOE Stock onto the buffer tube until it clicks into place.
5. **Secure Castle Nut:** Tighten the castle nut to secure the stock assembly, ensuring it is firmly in place.
6. **Adjust Length of Pull:** Use the springloaded release lever to adjust the length of pull according to your preference.

## Usage Instructions

- **Check Functionality:** After installation, check the stock assembly for proper function before use.
- **Shooting Position:** Ensure a proper shooting stance and grip for optimal control and accuracy.
- **Adjustments:** Make any necessary adjustments to the length of pull before firing.
- **PostUse Inspection:** After using the firearm, inspect the stock assembly for any signs of wear or damage.

## Disposal Instructions

When disposing of the AR15 MOE Stock Assembly, please follow these guidelines:

- **Local Regulations:** Adhere to local regulations regarding the disposal of firearm accessories.
- **Recycling:** If possible, recycle the polymer materials according to local recycling guidelines.
- **Safe Disposal:** Ensure that the stock assembly is disposed of in a manner that prevents access by unauthorized individuals.

## Contact Information for Further Support

For any questions or concerns regarding the AR15 MOE Stock Assembly, please refer to the retailer or manufacturer's contact information provided at the time of purchase. They will assist you with any inquiries related to safety, installation, or product performance.

Thank you for prioritizing safety and compliance while enjoying your new AR15 MOE Stock Assembly.
