

AR-15 ACS STOCK ASSY COLLAPSIBLE MIL-SPEC - BROWNELLS

AR-15 ACS STOCK ASSY COLLAPSIBLE MIL-SPEC FDE

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

Adaptable Carbine/Storage (ACS) stock is a drop-in replacement for standard USGI M4 collapsible stock that gives the tactical operator extra storage options, a secure, comfortable cheekweld, and an advanced dual-locking lever. Smooth, streamlined exterior contours prevent snagging on clothing, sling, or vegetation, and help ensure fast exits from vehicles without snagging on gear. Removable battery storage compartments run the full length of the extra-wide comb and hold 2 AA or 3 CR-123 batteries, while providing a wide, contoured area for an exceptionally solid, comfortable cheekweld. Secure molded rubber caps keep water and dust out of compartments and face the rear of the stock for easy removal; cap exterior is beveled to resist snagging when shouldering weapon. Positive-locking trapdoor on right side of the stock reveals a roomy storage compartment for additional batteries, coiled up cleaning cable and other cleaning supplies, ear plugs, spare parts, or other small items. Magpul's dual locking system uses an additional cam lever to protect the release lever from accidental operation, yet still allows you to adjust length of pull by simply pushing on the release lever. Slot molded in the toe provides an attachment point for a 1¼" wide sling. Also includes the same detachable rubber buttpad found on Magpul CTR and UBR buttstocks to help keep stock firmly mounted on shoulder. The ASC Buttstock Kit includes the following items: Mil-Spec buffer tube Carbine buffer Chrome Silicone recoil spring Receiver end plate Receiver extension castle nut

AR15 ACS Stock Assy Safety Instruction Guide

Introduction

Thank you for choosing the AR15 ACS Stock Assy Collapsible MilSpec. This product is designed to enhance your tactical experience while providing additional storage options and comfort. This safety instruction guide provides essential information to ensure safe handling, installation, and usage of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand this safety instruction guide before using the product.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product regularly for any signs of damage or wear before each use.
- Report any unsafe conditions, accidents, or malfunctions to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper installation or use may lead to accidents or injuries.
- Ensure that all components are securely attached before use.
- Be cautious of pinch points when adjusting the stock.

- **Avoiding Hazards:**

- Always ensure the firearm is unloaded before installing or adjusting the stock.
- Use the product in a safe environment, away from distractions and hazards.
- Do not exceed the recommended weight capacity of the stock.
- Avoid using the stock in adverse weather conditions that may affect grip or functionality.

- **AgeSpecific Warnings:**

- This product is not intended for use by individuals under the age of 18 without adult supervision.
- Ensure that all users are trained in safe firearm handling and usage.

Instructions for Installation and Usage

- **Installation:**

1. Ensure that the firearm is unloaded and pointed in a safe direction.
2. Remove the existing stock by loosening the castle nut and sliding off the stock.
3. Align the AR15 ACS stock with the buffer tube and slide it into place.
4. Securely tighten the castle nut to prevent movement.
5. Check that the stock is locked in place and adjust as needed.

- **Usage:**

- Adjust the length of pull by pushing the release lever while extending or collapsing the stock.
- Ensure a secure cheekweld by resting your cheek against the stock comfortably.
- Utilize the battery storage compartments for storing batteries securely.
- Use the positivelocking trapdoor for additional storage as needed.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding plastic and polymer materials.
- Do not incinerate the product, as this may release harmful substances.
- If the product is damaged beyond use, consider recycling the materials where possible.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please refer to the manufacturer's customer service resources. Ensure you provide relevant details about the product and your concerns for effective assistance.

Thank you for following these safety instructions. Enjoy your AR15 ACS Stock Assy Collapsible MilSpec responsibly and safely.
