

MOSSBERG 500 SGA BUTTSTOCK & M-LOK FOREND KIT - MAGPUL

MOSSBERG 500 SGA BUTTSTOCK & M-LOK FOREND SET FDE

[Home](#)

The SGA is an adaptable stock for the Mossberg 500/590/590A1 12 gauge shotguns, designed with a wide range of customizable features and accessories to meet individual end-user needs. The M-LOK Forend is a simple, lightweight forend for 500/590/590A1 12 gauge shotguns with 7-5/8" action tube assemblies, designed to provide much-needed adaptability with the attachment of optional M-LOK accessories and mounts. NOTE: The Mossberg forend in the sets will NOT fit the Mossberg 500 with 6-1/2" action tube assembly or the Maverick or current production Mossberg 500 synthetic with pinned-in action tube assembly without replacing with the 7-5/8" action tube assembly.

MOSSBERG 500 SGA BUTTSTOCK & MLOK FOREND KIT SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the MOSSBERG 500 SGA BUTTSTOCK & MLOK FOREND KIT. This guide provides essential safety instructions and usage guidelines to ensure your product is used safely and effectively. Please read this manual thoroughly before installation and use.

General Safety Guidelines

- Always handle firearms and firearm accessories with care and respect.
- Ensure the firearm is unloaded before installing or modifying any components.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for wear or damage before use.
- Follow all local laws and regulations regarding firearm modifications and usage.
- If unsure about any aspect of installation or use, seek professional assistance.

Specific Safety Precautions for Use

- Ensure compatibility with your specific model of Mossberg shotgun (500/590/590A1).
- Do not attempt to install the forend on models with a 61/2" action tube assembly or Maverick shotguns without the proper conversion.
- Always verify that the forend is securely attached before using the shotgun.
- Avoid using excessive force when installing or adjusting the components to prevent damage.
- Use only MLOK compatible accessories to ensure safe attachment and operation.
- Be cautious of sharp edges during installation and handling.

Instructions for Installation and Usage

1. Preparation

- Ensure you are in a safe and controlled environment.
- Gather necessary tools for installation, including a wrench and screwdriver.

2. Installation of the SGA Buttstock

- Remove the existing buttstock from your Mossberg shotgun.
- Align the SGA buttstock with the receiver of the shotgun.
- Securely fasten the buttstock using the provided screws, ensuring it is tightened without overtightening.

3. Installation of the MLOK Forend

- Remove the existing forend from your Mossberg shotgun.
- Align the MLOK forend with the action tube assembly.
- Slide the forend onto the action tube until it is fully seated.
- Secure the forend using the provided screws, ensuring they are tightened appropriately.

4. Attaching Accessories

- Refer to the manufacturer's instructions for any MLOK compatible accessories you wish to attach.
- Ensure that all accessories are securely fastened and do not obstruct the operation of the shotgun.

5. Usage

- Ensure the shotgun is pointed in a safe direction at all times during use.
- Regularly check for any signs of wear or looseness in the installed components.
- Clean and maintain the forend and buttstock as per the manufacturer's recommendations.

Disposal Instructions

- Dispose of the product according to local regulations regarding firearm accessories.
- If the product is damaged beyond repair, ensure it is rendered unusable before disposal.

Contact Information for Further Support

For any safety inquiries or support regarding the MOSSBERG 500 SGA BUTTSTOCK & MLOK FOREND KIT, please refer to the manufacturer's contact information provided with your product.

By following these guidelines, you can ensure the safe and effective use of your MOSSBERG 500 SGA BUTTSTOCK & MLOK FOREND KIT. Thank you for prioritizing safety and compliance while enjoying your product.
