

MOSSBERG 500 SGA BUTTSTOCK & M-LOK FOREND KIT - MAGPUL

MOSSBERG 500 SGA BUTTSTOCK & M-LOK FOREND SET, GREY

[Home](#)

The SGA is an adaptable stock for the Mossberg 500/590/590A1 12 gauge shotguns, designed with a wide range of customizable features and accessories to meet individual end-user needs. The M-LOK Forend is a simple, lightweight forend for 500/590/590A1 12 gauge shotguns with 7-5/8" action tube assemblies, designed to provide much-needed adaptability with the attachment of optional M-LOK accessories and mounts. NOTE: The Mossberg forend in the sets will NOT fit the Mossberg 500 with 6-1/2" action tube assembly or the Maverick or current production Mossberg 500 synthetic with pinned-in action tube assembly without replacing with the 7-5/8" action tube assembly.

MOSSBERG 500 SGA BUTTSTOCK & MLOK FOREND KIT SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the MOSSBERG 500 SGA Buttstock & MLOK Forend Kit by MAGPUL. This guide provides essential safety instructions and precautions to ensure the safe use and handling of your product. Please read this manual carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms with care and follow all local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure that the shotgun is unloaded before attaching or detaching the buttstock and forend.
- Avoid using the product if it shows any signs of damage or wear.
- Do not attempt to modify the product in any way that is not specified in the manufacturer's instructions.
- Use only compatible accessories with the MLOK system to avoid accidents.
- Follow all safety instructions provided with your shotgun to ensure safe operation.

Instructions for Installation and Usage

Installation Instructions

1. Prepare Your Shotgun:

- Ensure that your Mossberg 500/590/590A1 shotgun is unloaded and pointed in a safe direction.
- Remove the existing buttstock and forend from the shotgun as per the manufacturer's instructions.

2. Installing the Buttstock:

- Align the SGA buttstock with the shotgun's receiver.
- Secure the buttstock using the provided screws and tools. Ensure that it is tightly fastened.

3. Installing the MLOK Forend:

- Align the MLOK forend with the action tube assembly.
- Attach the forend by sliding it onto the action tube and securing it with the provided hardware.
- Ensure that the forend is firmly attached and does not move.

4. Final Checks:

- After installation, check that both the buttstock and forend are securely attached.
- Perform a function check of the shotgun to ensure everything operates correctly.

Usage Instructions

- When using the shotgun, maintain proper shooting posture and grip.

- Be aware of your surroundings and ensure a clear line of sight before firing.
- Regularly clean and maintain the buttstock and forend to ensure optimal performance.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is damaged beyond repair, please ensure that it is rendered unusable before disposal to prevent accidents.

Contact Information for Further Support

For further support and inquiries regarding safety or product usage, please refer to the manufacturer's contact information provided with the product packaging or visit their official website.

Thank you for your attention to these safety guidelines. Your safety and the safety of others is our top priority.
