

1911 9MM MAGAZINES - BROWNELLS BRN GEN2 1911 9MM LUGER 10 ROUND MAGAZINE BLACK 3 PACK

[Magazines](#) > [Handgun Magazines](#) > [Magazines](#)

The second generation Brownells 1911 magazines combine heavy duty construction with the reliability you've come to expect from a century old service weapon. The body and follower are constructed from heat treated stainless steel, with witness holes for a fast round count. Xylan~ exterior coating provides corrosion protection, as well as a slick, friction reducing finish. The anti-tilt follower is mated with an extra-power spring. The removable polymer base pad allows easy disassembly, as well as drop protection when changing magazines on the fly.

Attributes

Safety Instruction Guide for 1911 9MM MAGAZINES

Introduction

Thank you for choosing the Brownells 1911 9MM Magazines. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this document carefully to understand how to use the magazines safely and responsibly.

General Safety Guidelines

- Ensure that all safety precautions are followed when handling firearms and ammunition.
- Always treat every firearm as if it is loaded.
- Keep the magazines out of reach of children and unauthorized users.
- Store the magazines in a safe, dry place away from direct sunlight and moisture.
- Regularly inspect the magazines for signs of wear or damage before use.
- Follow all local laws and regulations regarding the use and storage of firearms and ammunition.

Specific Safety Precautions for Use

- Do not exceed the magazine's capacity of 10 rounds.
- Always use the correct type of ammunition (9 mm Luger) as specified for this magazine.
- When loading the magazine, ensure that fingers are clear of the magazine's feed lips to avoid injury.
- Avoid dropping the magazine from a height, as this may cause damage or malfunction.
- If the magazine becomes stuck in the firearm, do not force it out. Consult a qualified gunsmith for assistance.
- Do not attempt to modify or alter the magazine in any way, as this may compromise safety and reliability.

Instructions for Installation and Usage

1. Loading the Magazine:

- Hold the magazine with the feed lips facing up.
- Insert rounds one at a time, pressing down on the follower until the round clicks into place.
- Ensure that the rounds are seated properly and that the magazine is filled to the desired capacity (up to 10 rounds).

2. Inserting the Magazine into the Firearm:

- Ensure the firearm is pointed in a safe direction and that it is unloaded.
- Align the magazine with the magazine well of the firearm.
- Firmly push the magazine into the well until it locks into place with an audible click.

3. Removing the Magazine:

- Ensure the firearm is pointed in a safe direction and that it is unloaded.
- Press the magazine release button on the firearm.
- Gently pull the magazine out of the magazine well.

4. Disassembling the Magazine:

- To disassemble, remove the base pad by pressing the release tab.

- Clean the interior and exterior of the magazine with a soft cloth.
- Reassemble by aligning the base pad and pressing it back into place until it clicks.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged beyond repair, consider recycling the metal components where applicable.
- Ensure that any remaining ammunition is disposed of safely and in compliance with local laws.

Contact Information for Further Support

For any inquiries regarding safety, product recalls, or additional support, please refer to the designated EU contact point associated with this product.

Please report any unsafe products or accidents to the relevant authorities and check for recall updates on the EU's Safety Gate platform. Your safety is our priority. Thank you for your attention to these important safety guidelines.
