# Safety Instruction Guide for 308AR Carbine Buffer

## Introduction

Thank you for choosing the 308AR Carbine Buffer by Brownells. This guide provides essential safety information and instructions to ensure safe and effective use of the product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Always handle firearms and firearm accessories with care.
- Ensure that you use the 308AR Carbine Buffer only with compatible AR .308 systems.
- Keep the product out of reach of children and unauthorized individuals.
- Inspect the buffer regularly for any signs of wear or damage.
- Do not modify the buffer or use it in a manner not intended by the manufacturer.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or removing the buffer.
- Use protective eyewear during installation to prevent injury from potential debris.
- Follow all manufacturer guidelines for the installation of firearm components.
- Be aware of your surroundings and ensure that you are in a safe environment when handling the firearm.
- If you are unsure about the installation or use of the buffer, consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and ensure you have a clean workspace.
- Ensure that your firearm is unloaded and pointed in a safe direction.

### 2. Installation:

- Remove the existing buffer and buffer spring from the buffer tube.
- Insert the 308AR Carbine Buffer into the buffer tube, ensuring it is seated properly.
- Replace the buffer spring, ensuring it is aligned correctly with the buffer.
- Reassemble the firearm according to the manufacturer's instructions.

### 3. Usage:

- Test the functionality of the buffer by cycling the action of the firearm.
- Ensure that the buffer operates smoothly without any binding or resistance.
- Regularly check the buffer during routine maintenance to ensure it is functioning correctly.

## Disposal Instructions

- Dispose of the 308AR Carbine Buffer in accordance with local regulations regarding firearm components.
- Do not dispose of the buffer in regular household waste.
- Contact local waste management services for guidance on proper disposal methods.

## Contact Information for Further Support

For any inquiries or concerns regarding the 308AR Carbine Buffer, please refer to the manufacturer's website or contact their customer support service.

By following these guidelines and instructions, you help ensure the safe and effective use of your 308AR Carbine Buffer. Always prioritize safety and seek assistance when needed. Thank you for your attention to these important safety measures.
