## Forget About Scrounging for Battered Originals! Brand-New "Waffle" Mags Are Available Again

The Brownells Retro Waffle steel 20-round M16 magazine is a close replica of the original military M16 magazines issued in the late 1950s and early '60s. With the distinctive waffle pattern stamped into its steel (NOT aluminum!) body, just like the originals, our Waffle 20-round M16 magazine gives the final touch of period accuracy to your "retro" reproduction rifle. Most of the original USGI waffle mags were destroyed by the Department of Defense and so are extremely rare and hard to come by - and the few that survived are collector's items too valuable to shoot. Our mags give you the period-correct appearance at a fraction of the cost, with 100% up-to-date and reliable innards for dependable function in ANY AR-15 - new, old, or reproduction. Magazine body & floorplate made exclusively for Brownells by Nodak Spud Floorplate & spring are from the Brownells USGI 20rd aluminum magazines Fully heat-treated (for strength) carbon steel magazine body Waffle pattern crisply stamped into the sheet metal Matte black Parkerized finish With a Brownells Retro Waffle steel 20-round M16 magazine, you give your retro AR-15 build that vintage military look. The waffle texture gives any AR-15 shooter extra "purchase" to aid in fast mag changes in non-retro rifles, too.

# Safety Instruction Guide for Brownells Retro Waffle Steel 20Round M16 Magazine

## Introduction

Thank you for choosing the Brownells Retro Waffle Steel 20Round M16 Magazine. This guide provides important safety instructions to ensure the safe use and handling of this product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that you are familiar with the laws and regulations regarding firearm accessories in your country or region.
- Always handle magazines with care, treating them as if they are loaded.
- Keep magazines out of reach of children and unauthorized users.
- Regularly inspect the magazine for signs of wear, damage, or corrosion.
- Store the magazine in a cool, dry place away from direct sunlight and moisture.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Always ensure that the firearm is pointed in a safe direction when loading or unloading the magazine.
- Do not exceed the magazine's specified capacity of 20 rounds.
- Use only compatible ammunition types: .223 Remington and 5.56 mm NATO.
- Avoid using damaged or worn magazines, as they may malfunction.
- Ensure that the magazine is properly seated in the firearm before use.
- Do not attempt to modify or disassemble the magazine, as this may compromise its safety and functionality.
- Be aware of your surroundings and ensure a safe shooting environment.

## Instructions for Installation and Usage

### 1. Loading the Magazine:

- Hold the magazine with the base plate facing down.
- Insert rounds into the magazine one at a time, ensuring they are aligned correctly.
- Push each round down until it clicks into place.

### 2. Inserting the Magazine into the Firearm:

- Ensure the firearm is pointed in a safe direction and is on safe mode.
- Align the magazine with the magazine well of the firearm.
- Firmly push the magazine into the well until it clicks into place.

### 3. Removing the Magazine:

- Ensure the firearm is pointed in a safe direction.
- Press the magazine release button on the firearm.
- Pull the magazine out of the magazine well.

### 4. Cleaning and Maintenance:

- Regularly clean the magazine to prevent dirt and debris buildup.

- Use a soft cloth and a suitable cleaning solution to wipe down the magazine.
- Avoid using abrasive materials that may scratch the surface.

## **Disposal Instructions**

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged or no longer functional, consider recycling the metal components where applicable.
- Do not dispose of the magazine in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the Brownells Retro Waffle Steel 20Round M16 Magazine, please refer to the product packaging or visit the manufacturer's website for additional resources and support.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your Brownells Retro Waffle Steel 20Round M16 Magazine. Thank you for your attention to safety.
