

M16 MODEL 601 LOWER RECEIVER PIVOT PIN - BROWNELLS BRN MODEL 601 FRONT PIN ASSEMBLY

[Rifle Parts](#) > [Receiver Parts](#) > [Receiver Hardware](#) > [Receiver Pins](#)

The Brownells M16 Model 601 Pivot Pin serves two purposes in your retro M16 / AR-15 build. First, the button has the correct contour to give your rifle an extra level of detail accuracy. Second, and more important, this M16 Model 601 Pivot Pin must be used on the Brownells M16 BRN-601 retro lower receiver. The reason? Our lower so accurately replicates the original Model 601 receiver so closely that it does not have the modern magazine fence to allow use of a modern AR-15 detent spring and pin. Machined from hardened 4130 carbon steel Period-correct matte black (dark gray) phosphate Parkerized finish Long-wearing hardened stainless steel detent ball included Required pivot pin for use on BRN-601 Lower Receiver (#078-000-359) The Brownells M16 Model 601 Pivot Pin plays a small but very necessary part in helping you build the finest retro M16 replica possible.

Safety Instruction Guide for the Brownells M16 Model 601 Lower Receiver Pivot Pin

Introduction

Thank you for choosing the Brownells M16 Model 601 Pivot Pin. This product is designed to enhance the authenticity and functionality of your retro M16 / AR15 build. To ensure safe use and compliance with the EU General Product Safety Regulation (GPSR), please read and follow this safety instruction guide carefully.

General Safety Guidelines

- Ensure that all assembly and installation work is performed in a safe environment.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves during installation and handling.
- Keep this product out of reach of children and vulnerable individuals.
- Regularly inspect the pivot pin and associated components for wear or damage.
- In the event of any malfunction or failure, cease use immediately and contact a qualified professional for inspection.

Specific Safety Precautions for Use

- The Brownells M16 Model 601 Pivot Pin is specifically designed for use with the Brownells M16 BRN601 lower receiver. Do not use it with any other models or brands.
- Ensure that the pivot pin is securely installed before using your firearm.
- Avoid using excessive force when installing or removing the pivot pin to prevent damage to the receiver.
- Do not modify the pivot pin or any associated components as this may compromise safety and functionality.
- Always follow the manufacturer's instructions for the assembly and use of your firearm.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and components before beginning installation.
- Ensure your work area is clean and free from distractions.

2. Installation Steps

- Align the pivot pin with the corresponding holes in the Brownells M16 BRN601 lower receiver.
- Gently insert the pivot pin into the receiver, ensuring it is positioned correctly.
- Use a suitable tool to press the pivot pin into place, ensuring it is fully seated.
- Confirm that the pivot pin operates smoothly and securely before proceeding.

3. Usage Guidelines

- After installation, regularly check the pivot pin for signs of wear or damage.
- If any issues are detected, consult a qualified gunsmith for assessment and potential replacement.

Disposal Instructions

- When disposing of the Brownells M16 Model 601 Pivot Pin, follow local regulations regarding the disposal of metal components.
- Ensure that the product is disposed of in an environmentally responsible manner.

Contact Information for Further Support

For any questions or concerns regarding the Brownells M16 Model 601 Pivot Pin, please refer to the manufacturer's website or contact their customer support for assistance.

This safety instruction guide is designed to ensure your safe and effective use of the Brownells M16 Model 601 Pivot Pin. Thank you for prioritizing safety and compliance in your firearm assembly and usage.
