The Perfect Piece for Your Retro AR-15

For those fans of the classic retro AR-15 look, Brownells teamed up with Nodak Spud to produce the Brownells Retro AR-15 Triangle Charging Handle. The Brownells Retro AR-15 Triangle Charging Handle is not an approximation but a carefully researched, detailed replica of the charging handle found on early, much-sought-after "601" rifles issued to the Air Force in the early 1960s. In fact, to distinguish our reproduction from originals, we had to engrave "BRN" hidden away at the bottom to prevent these from being confused with the genuine article. Features the correct triangle shape like the originals Fits & functions correctly in any standard, current-production mil-spec AR-15 upper receiver Constructed of high-grade 6061 T6 aluminum "Colt gray" hardcoat anodized finish If you're building a 601 replica using our M16A1 upper and lower receivers and reproduction stock/pistol grip/handguard, the Brownells Retro AR-15 Triangle Charging Handle is a must-have component.

Attributes

- Name: [BROWNELLS MODEL 601 AR-15 TRIANGLE RETRO CHARGING HANDLE](#)
- Manufacturer: [BROWNELLS](#)

Safety Instruction Guide for the AR15 Triangle Retro 601 Style Charging Handle

Introduction

Thank you for choosing the AR15 Triangle Retro 601 Style Charging Handle. This product is designed to provide a classic retro look while ensuring safe and effective operation. Please read this safety instruction guide carefully to understand the necessary precautions and usage instructions.

General Safety Guidelines

- Ensure that the charging handle is compatible with your AR15 upper receiver before installation.
- Always handle firearms and firearm accessories with care and follow all local laws and regulations.
- Keep the charging handle and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the charging handle for any signs of wear or damage and replace it as necessary.
- If you experience any issues with the charging handle, cease use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installing or removing the charging handle.
- Use protective eyewear when handling firearms to prevent injury from accidental discharge or debris.
- Avoid using excessive force when operating the charging handle to prevent damage to the firearm or the handle itself.
- Do not modify the charging handle in any way as this may compromise its safety and functionality.
- Be aware of your surroundings and ensure that the area is clear of people and obstacles when operating the firearm.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing charging handle if applicable by pulling it out of the upper receiver.
- Align the Brownells Retro AR15 Triangle Charging Handle with the receiver and slide it into place until it is fully seated.
- Verify that the charging handle operates smoothly before proceeding to use the firearm.

2. Usage:

- To charge the firearm, grasp the triangle charging handle firmly and pull it back to the rear position.
- Release the handle to allow it to return to the forward position.
- Always ensure the firearm is pointed in a safe direction during operation.

Disposal Instructions

- Dispose of the charging handle responsibly in accordance with local regulations.
- Do not dispose of the charging handle in regular household waste if it is damaged or no longer functional.
- Contact local waste management authorities for guidance on proper disposal methods for firearm accessories.

Contact Information for Further Support

For any questions regarding the AR15 Triangle Retro 601 Style Charging Handle or safety concerns, please consult with a qualified firearms dealer or gunsmith. Ensure that you have the product details available for accurate assistance.

By following these safety guidelines and instructions, you can ensure the safe and effective use of your AR15 Triangle Retro 601 Style Charging Handle. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
