RUGER® MKIII & 22/45 Ambidextrous Charging Handle Safety Instruction Guide

Introduction

Thank you for choosing the RUGER® MKIII & 22/45 Ambidextrous Charging Handle by BROWNELLS. This product is designed to enhance the functionality of your Ruger MKIII and 22/45 firearms, making them easier to operate for both right and lefthanded users. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Ensure that the charging handle extension is compatible with your Ruger MKIII or 22/45 model before installation.
- Always handle firearms with care and in accordance with the manufacturer's safety guidelines.
- Store the charging handle extension and firearms in a secure location, away from children and unauthorized users.
- Regularly inspect the charging handle for any signs of wear or damage. Replace if necessary.
- Be aware of your surroundings and ensure a safe environment when using your firearm.

Specific Safety Precautions for Use

- Only use the charging handle extension as intended, following the provided instructions.
- Do not force the charging handle if it does not operate smoothly; check for obstructions or misalignment.
- Ensure that the firearm is unloaded before installing or removing the charging handle extension.
- Always wear appropriate eye and ear protection when using your firearm.
- Keep fingers away from the trigger until you are ready to shoot.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather the necessary tools: a screwdriver compatible with the screws provided.

2. Installation:

- Locate the rear of the bolt on your Ruger MKIII or 22/45.
- Align the charging handle extension with the rear of the bolt.
- Using the two screws provided, attach the charging handle extension securely. Do not overtighten.
- Verify that the charging handle operates smoothly before use.

3. Usage:

- To charge the firearm, grasp the ambidextrous charging handle with either hand.
- Pull the charging handle back firmly to chamber a round.
- Release the charging handle to allow it to return to its original position.

Disposal Instructions

- Dispose of the charging handle extension in accordance with local regulations.
- If the product is damaged or no longer needed, consider recycling materials where applicable.
- Do not dispose of the product in household waste.

Contact Information for Further Support

For any safety inquiries or assistance regarding the RUGER® MKIII & 22/45 Ambidextrous Charging Handle, please refer to the manufacturer's website or contact your local dealer.

By following these guidelines, you can ensure a safe and enjoyable experience with your RUGER® MKIII & 22/45 Ambidextrous Charging Handle. Thank you for your attention to safety.
