[Rifle Parts](#) > [Grip Parts](#) > [Pistol Grips](#)

The Brownells BRN-10 Pistol Grip is inspired by the original Dutch AR-10® pistol grip. Following the classic contours of the original, the BRN-10 now comes with every BRN-10 rifle, and can be purchased separately. This grip will fit any AR-15 or DPMS/SR-25 pattern lower receiver, so long as it has standard contour at the pistol grip attachment. The BRN-10 Grip itself has the contour below the safety like the original, as well as the serrations on the rear to match the original. Available in black and brown.
