Safety Instruction Guide for 308 AR ACTION SPRING BROWNELLS BRN AR308

Introduction

Thank you for purchasing the 308 AR ACTION SPRING by BROWNELLS. This guide provides essential safety instructions and information to ensure the safe and effective use of this product. Please read this guide thoroughly before handling or installing the action spring.

General Safety Guidelines

- Ensure that you are familiar with the operation and handling of firearms before using this product.
- Always treat every firearm as if it is loaded.
- Keep the action spring and all firearm components out of reach of children and unauthorized users.
- Inspect the action spring for any signs of damage or wear before installation. Do not use if damaged.
- Follow all local laws and regulations regarding firearm modifications and usage.

Specific Safety Precautions for Use

- Only use the action spring with standard .308 AR platforms.
- Do not attempt to modify or alter the action spring in any way.
- Use appropriate personal protective equipment (PPE) such as safety glasses when handling firearms.
- Ensure that the firearm is unloaded before attempting to install or replace the action spring.
- Be aware of your surroundings and ensure that you are in a safe environment when handling firearms.

Instructions for Installation and Usage

1. Preparation

- Gather the necessary tools, including a punch tool and a hammer.
- Ensure that your workspace is clean and welllit.

2. Disassembly of the Firearm

- Ensure the firearm is unloaded.
- Remove the upper receiver from the lower receiver according to the manufacturer's instructions.
- Carefully remove the existing action spring from the firearm.

3. Installation of the New Action Spring

- Align the new 308 AR ACTION SPRING with the designated area in the firearm.
- Carefully insert the action spring using the punch tool if necessary, ensuring it is seated correctly.
- Reassemble the firearm by following the manufacturer's instructions.

4. Final Checks

- Inspect the installation to ensure all components are secure.
- Test the action of the firearm without ammunition to ensure proper function.

Disposal Instructions

- Dispose of the old action spring and any other replaced components in accordance with local regulations.
- Do not dispose of in regular household waste. Check for recycling options or designated disposal sites for

firearm parts.

Contact Information for Further Support

For any questions or concerns regarding the safety or installation of the 308 AR ACTION SPRING, please refer to the manufacturer's website or contact your local firearms expert.

Conclusion

By following these safety instructions and guidelines, you can ensure the safe and effective use of your 308 AR ACTION SPRING. Always prioritize safety and compliance with local laws when handling firearms. Thank you for your attention to these important guidelines.
