# Consumer Safety Instruction Guide for 308 AR Crush Washer

## Introduction

Thank you for choosing the 308 AR Crush Washer by Brownells. This product is designed for use in standard .308 AR rifles. Please read this safety instruction guide carefully to ensure safe installation and use of the crush washer.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always check for visible damage before installation.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Material Safety:** The crush washer is made from steel. Handle with care to avoid cuts or injuries.
- **Installation:** Ensure the crush washer is installed correctly to prevent malfunction of the firearm.
- **Compatibility:** Only use this crush washer with .308 AR rifles. Using it with incompatible models may pose safety risks.
- **Inspection:** Regularly inspect the crush washer for wear and tear. Replace if damaged or worn out.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather necessary tools such as a wrench and any other equipment required for installation.
- Ensure the firearm is unloaded and pointed in a safe direction.

### 2. Installation Steps:

- Remove the existing crush washer if applicable.
- Clean the area where the new crush washer will be installed to ensure a secure fit.
- Place the new 308 AR Crush Washer onto the barrel or muzzle device, ensuring it is oriented correctly.
- Tighten the muzzle device according to the manufacturer's specifications, ensuring the crush washer is compressed properly.

### 3. PostInstallation:

- After installation, check for proper alignment and tightness.
- Conduct a function check of the firearm to ensure it operates correctly.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the crush washer in regular household waste if it is damaged or contains hazardous materials.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the 308 AR Crush Washer, please consult the manufacturer or a qualified professional.
