# Safety Instruction Guide for FIRING PIN FOR HK417®/MR762®

## Introduction

Thank you for purchasing the FIRING PIN FOR HK417®/MR762®. This replacement firing pin is designed for use with the HK417 and MR762 rifles. It is essential to follow the safety guidelines and instructions outlined in this document to ensure safe and effective use of the product.

## General Safety Guidelines

- Always follow the manufacturer's instructions for use and maintenance.
- Ensure the firearm is unloaded before handling or installing the firing pin.
- Store the firing pin in a secure location, away from children and unauthorized users.
- Inspect the firing pin regularly for any signs of damage or wear.
- Do not attempt to modify the firing pin or use it in a manner not specified by the manufacturer.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the firing pin is compatible with your specific model of HK417 or MR762 before installation.
- Handle the firing pin with care to avoid personal injury.
- Always wear appropriate safety gear, such as eye protection, when working with firearms.
- Avoid using the firing pin if it has been damaged or shows signs of wear.
- Keep the firing pin away from heat sources and direct sunlight to prevent damage.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded and safe to handle.
- Gather necessary tools, including a suitable screwdriver and cleaning materials.

### 2. Installation:

- Remove the bolt assembly from the firearm according to the manufacturer's instructions.
- Carefully remove the old firing pin from the bolt assembly.
- Inspect the firing pin channel for any debris or obstructions and clean if necessary.
- Insert the new firing pin into the bolt assembly, ensuring it is seated correctly.
- Reassemble the bolt assembly and ensure it is securely fastened.

### 3. Usage:

- After installation, conduct a function check to ensure the firing pin operates correctly.
- Follow all manufacturer guidelines for the operation of the HK417 or MR762.
- Regularly inspect the firing pin during routine maintenance checks.

## Disposal Instructions

- Dispose of the firing pin in accordance with local regulations for hazardous materials.
- Do not dispose of the firing pin in regular household waste.
- Contact local authorities or waste management services for proper disposal options.

## **Contact Information for Further Support**

For further assistance, please refer to the manufacturer's website or customer support resources. Ensure you have the product details available for any inquiries related to safety or product performance.

By adhering to these safety guidelines and instructions, you can ensure the safe use of the FIRING PIN FOR HK417®/MR762® and maintain the integrity of your firearm. Thank you for your attention to these important safety measures.
