# Safety Instruction Guide for AR15 Standard Buffer Body Assembly

## Introduction

Thank you for choosing the AR15 Standard Buffer Body Assembly from Brownells. This guide provides important safety instructions to ensure the safe use and installation of this product. Please read this manual carefully before use and keep it for future reference.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or handling the buffer body assembly.
- Use only compatible parts designed for the AR15 platform to avoid potential hazards.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the buffer body assembly for wear and damage before use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Do not exceed the manufacturer's specifications for the buffer body assembly.
- Ensure that the assembly is properly installed to avoid malfunction.
- Wear appropriate safety gear, such as eye protection, when handling firearms.
- Do not use the buffer body assembly if it shows signs of damage or wear.
- Be aware of your surroundings and ensure a safe environment when using firearms.

## Instructions for Installation and Usage

### Installation Instructions

1. **Ensure Firearm is Unloaded:** Before starting, confirm that the firearm is completely unloaded.
2. **Gather Required Tools:** You may need a screwdriver and other tools specific to your firearm model.
3. **Remove Existing Buffer Body:**
  - Locate the existing buffer body assembly in your AR15.
  - Carefully remove it by following the manufacturer's disassembly instructions.
4. **Install New Buffer Body Assembly:**
  - Take the new AR15 Standard Buffer Body Assembly from Brownells.
  - Align it with the buffer tube and carefully insert it, ensuring it fits securely.
5. **Reassemble Firearm:** Follow the manufacturer's reassembly instructions to put your firearm back together.
6. **Function Check:** Once reassembled, perform a function check to ensure everything operates correctly.

### Usage Instructions

- Always follow standard firearm safety rules.
- Regularly check the buffer body assembly during routine maintenance.
- If you experience any issues, consult a qualified gunsmith or contact the manufacturer for support.

## Disposal Instructions

- Dispose of any damaged or worn buffer body assemblies in accordance with local regulations.
- Do not dispose of this product in regular household waste.

- Check with local authorities for proper disposal methods for firearm components.

## **Contact Information for Further Support**

For any questions or concerns regarding the AR15 Standard Buffer Body Assembly, please refer to the contact information provided on the packaging or visit the manufacturer's website.

Thank you for prioritizing safety and responsible use. Enjoy your AR15 Standard Buffer Body Assembly from Brownells!
