# Safety Instruction Guide for BRN180™ Gas System Components

## Introduction

Thank you for choosing the BRN180™ Gas System Components. This guide provides important safety information and instructions to ensure the safe and effective use of your product. Please read this guide thoroughly before installation and usage.

## General Safety Guidelines

- Ensure that all components are compatible with your BRN180™ Upper Receiver.
- Inspect all parts for damage or wear before use. Do not use damaged components.
- Always follow local laws and regulations regarding firearm modifications and usage.
- Store all components in a dry, secure location away from children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use the gas system components only as intended. Do not modify or alter the components.
- Ensure that the firearm is unloaded before performing any installation or maintenance.
- Wear appropriate safety gear, including eye protection, when working with firearms.
- Avoid exposure to extreme temperatures and moisture to prevent corrosion and degradation of components.
- If you experience any unusual behavior during operation, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools and components.
- Ensure your workspace is clean and organized.

### 2. Installation of Fixed Gas System Kit

- Remove the existing gas block from the upper receiver.
- Install the Standard Gas Cup or Suppressed Gas Cup as per your requirement.
- Secure the gas block in place according to the manufacturer's specifications.

### 3. Installation of Adjustable Gas System Kit

- Remove the existing gas block from the upper receiver.
- Install the Gas Nipple and Gas Cup, ensuring they are seated correctly.
- Use the Retaining Clip to secure the Gas Cup in place.
- Adjust the gas settings according to your specific needs.

### 4. Final Checks

- Ensure all components are securely fastened.
- Check for any obstructions or misalignments.
- Test the gas system in a safe environment before regular use.

## **Disposal Instructions**

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of components in regular household waste.
- Consider recycling options where applicable.

## **Contact Information for Further Support**

For any safety inquiries or additional support, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities.
