Safety Instruction Guide for BRN180™ Gas System Components

Introduction

Thank you for choosing the BRN180™ Gas System Components. This guide provides important safety information to ensure the safe and effective use of the BRN180™ Adjustable Gas Block and related components. Please read this guide thoroughly before installation and use.

General Safety Guidelines

- Ensure all components are used in accordance with the manufacturer's specifications.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling and installing gas system components.
- Keep all components away from children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for updates on product recalls through the EU Safety Gate platform.

Specific Safety Precautions for Use

• Potential Hazards:

- Improper installation can lead to malfunctions or unsafe operation of the firearm.
- Exposure to highpressure gas can cause injury; ensure proper assembly and maintenance.

• Avoiding Hazards:

- Follow all installation instructions carefully to prevent accidents.
- Inspect all components for damage before use. Do not use damaged parts.
- Ensure the firearm is unloaded before beginning any installation work.

• AgeSpecific Warnings:

- This product is intended for use by adults only. Keep out of reach of children.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and components before starting the installation.
- Ensure a clean and welllit workspace.

2. Installation Steps:

- Remove the existing gas block if applicable.
- Clean the area where the new gas block will be installed to ensure a proper fit.
- Install the new adjustable gas block according to the provided specifications: Align the gas block with the gas tube and secure it using the retaining clip. Ensure that the gas cup is properly seated to prevent gas leaks.
- Test the adjustment settings before finalizing the installation.

3. Usage Guidelines:

- After installation, conduct a function check to ensure proper operation.
- Adjust the gas settings as needed based on your specific ammunition and shooting conditions.
- Regularly inspect the gas block and associated components for wear and tear.

Disposal Instructions

- Dispose of any damaged or unusable components in accordance with local regulations.
- Do not discard components in regular household waste. Check for local recycling programs that accept firearm components.

Contact Information for Further Support

For any questions or concerns regarding the BRN180™ Gas System Components, please refer to the manufacturer's website or customer service for assistance.

Thank you for your attention to these safety guidelines. Your safety and the safety of others is our priority.
