# Safety Instruction Guide for BRN180™ Gas System Components

## Introduction

Thank you for choosing the BRN180™ Gas System Components by Brownells. This guide provides essential safety information and instructions to ensure the safe use of the product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure the product is suitable for your specific firearm model and configuration.
- Always wear appropriate safety gear, including eye protection, when handling firearms and related components.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product for any damage or defects before use. Do not use if damaged.
- Follow all applicable laws and regulations regarding firearm components in your jurisdiction.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Only use the BRN180™ Gas System Components with compatible BRN180™ Upper Receivers.
- Ensure that the firearm is unloaded before installing or adjusting any components.
- Do not attempt to modify or alter the gas system components, as this may result in unsafe operation.
- Be cautious of hot surfaces after firing. Allow the firearm to cool down before handling.
- Always follow the manufacturer's guidelines for the specific firearm model and configuration.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, such as a wrench and screwdriver.

### 2. Installation of Fixed Gas System Kit:

- Remove the existing gas cup if applicable.
- Install the standard gas cup or suppressed gas cup as needed, ensuring a secure fit.
- Reassemble any components removed during installation.

### 3. Installation of Adjustable Gas System Kit:

- Remove the existing gas cup and gas nipple.
- Install the new gas nipple, followed by the gas cup.
- Secure the gas cup with the retaining clip.
- Ensure all components are tightly secured before use.

### 4. Usage:

- Test the functionality of the gas system components by firing the firearm in a safe environment.
- Monitor the firearm for any unusual behavior, such as excessive recoil or failure to cycle.

## **Disposal Instructions**

- Dispose of any damaged or unused gas system components in accordance with local regulations.
- Do not dispose of in regular household waste. Check for recycling options or hazardous waste disposal sites.

## **Contact Information for Further Support**

For any questions or concerns regarding the BRN180™ Gas System Components, please reach out to your local authorized dealer or visit the official Brownells website for additional resources and support.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your BRN180™ Gas System Components. Thank you for your attention to these important safety guidelines.
