# BRN180™ Gas System Components Safety Instructions

## Introduction

Thank you for choosing the BRN180™ Gas System Components by Brownells. This guide provides essential safety instructions to ensure the safe use and installation of your product. Please read this document carefully before using the product.

## General Safety Guidelines

- Always follow the manufacturer's instructions for safe use.
- Inspect the product before each use to ensure it is in good condition.
- Keep all components away from children and unauthorized users.
- Use the product only for its intended purpose.
- If you experience any issues or observe any damage, discontinue use immediately and seek assistance.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure that the gas system components are compatible with your specific firearm model.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- Do not modify or alter any components of the gas system.
- Avoid using the gas system components in extreme conditions unless specified by the manufacturer.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not attempt to disassemble or repair the gas system components unless you are a qualified technician.

## Instructions for Installation and Usage

### Installation

#### 1. Preparation

- Ensure that the firearm is unloaded and pointed in a safe direction before starting the installation.
- Gather all necessary tools and components required for installation.

#### 2. Installation Steps

- Remove the existing gas system components from your firearm, if applicable.
- Install the fixed or adjustable gas system components as per the manufacturer's instructions.
- Ensure that all components are securely fastened and properly aligned.

#### 3. Final Check

- Inspect the installation to confirm that all parts are correctly installed and functioning.
- Test the gas system components by cycling the firearm in a safe environment.

### Usage

- Follow the manufacturer's guidelines for operating the gas system components.
- Regularly check for signs of wear or damage during use.
- Clean and maintain the gas system components according to the manufacturer's recommendations.

## **Disposal Instructions**

- Dispose of any damaged or nonfunctional components in accordance with local regulations.
- Do not dispose of components in regular household waste.
- Contact your local waste management facility for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the BRN180™ Gas System Components, please refer to the manufacturer's contact information provided in the product packaging or visit the official website.

Please ensure that you keep this safety instruction guide for future reference. Your safety is our priority, and following these guidelines will help ensure a safe and enjoyable experience with your BRN180™ Gas System Components.
