Safety Instruction Guide for BRN180™ Gas System Components

Introduction

Thank you for choosing the BRN180™ Gas System Components by Brownells. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide thoroughly before installing or using the components. Your safety is our priority.

General Safety Guidelines

- Ensure that all components are compatible with your specific BRN180™ Upper Receiver model.
- Always handle firearms and related components with care and responsibility.
- Store all gas system components in a dry and secure location, out of reach of children.
- Regularly inspect components for signs of wear or damage before use.
- If you suspect any component is damaged, do not use it and contact a qualified professional for assessment.
- Follow all local laws and regulations regarding firearm components and usage.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling gas system components.
- Do not attempt to modify or alter any component. Unauthorized modifications can lead to malfunction and injury.
- Ensure that the gas system is properly installed and functioning before using the firearm.
- Keep your hands and face clear of the gas port during operation to avoid injury from gas blowback.
- Never point the firearm at yourself or others while testing or adjusting the gas system.
- Be aware of your surroundings and ensure that the area is safe before discharging the firearm.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is unloaded and the chamber is clear.
- Gather all necessary tools and components for installation.

2. Installation of Fixed Gas System Kit:

- Locate the gas block on your BRN180™ Upper Receiver.
- Remove the existing gas cup (if applicable) using the appropriate tools.
- Install the standard gas cup or suppressed gas cup by aligning it with the gas port and securing it in place.
- Ensure that it is tightly fitted and does not move.

3. Installation of Adjustable Gas System Kit:

- Remove the existing gas cup as described above.
- Install the gas nipple into the gas block.
- Attach the gas cup and ensure it is securely fastened.
- Use the retaining clip to hold the gas cup in place.
- Adjust the gas settings according to your preference and ensure it is securely locked.

4. Testing:

- After installation, perform a function check with the firearm unloaded to ensure proper gas operation.
- Test the firearm in a safe and controlled environment.

5. Usage:

- Follow all manufacturer guidelines for operating your firearm.
- Regularly check the gas system for proper operation and any signs of wear.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of components in regular household waste. Check for local hazardous waste disposal options.
- Ensure that all components are rendered unusable before disposal to prevent accidental use.

Contact Information for Further Support

For any inquiries or concerns regarding the BRN180™ Gas System Components, please reach out to your local dealer or visit the manufacturer's website for support resources.
