# BRN4/HK416 Compatible Piston Assembly Safety Instructions

## Introduction

Thank you for choosing the BRN4/HK416 Compatible Piston Assembly. This product is designed for use with Heckler & Koch firearms, including the HK416, MR556, and others listed in the product description. Please read this safety instruction guide thoroughly to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure the product is suitable for your specific firearm model before use.
- Always follow the manufacturer's instructions for your firearm.
- Store the piston assembly in a safe, dry place away from unauthorized access.
- Regularly inspect the assembly for signs of wear or damage.
- Use only compatible components with your firearm to avoid malfunctions.

## Specific Safety Precautions for Use

- Do not modify the piston assembly or attempt to alter its design.
- Always wear appropriate personal protective equipment (PPE) when handling firearms, including eye protection and hearing protection.
- Keep the firearm pointed in a safe direction at all times.
- Ensure the firearm is unloaded before installing or removing the piston assembly.
- Be aware of your surroundings and ensure that there are no bystanders when using your firearm.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation (if required).

### 2. Installation:

- Remove the existing piston assembly from your firearm, following the manufacturer's instructions.
- Inspect the new piston assembly for any signs of damage.
- Insert the BRN4/HK416 compatible piston assembly into the designated area of your firearm.
- Ensure that the assembly is securely in place and that all components are properly aligned.

### 3. Usage:

- After installation, perform a function check to ensure the firearm operates correctly.
- Follow the operating procedures outlined in your firearm's manual.

### 4. PostUsage:

- After use, clean the piston assembly according to the manufacturer's recommendations.
- Store the piston assembly in a secure location when not in use.

## Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.

- Do not dispose of the piston assembly in regular household waste.
- Check with local authorities for proper disposal methods for firearm components.

## **Contact Information for Further Support**

For any questions or concerns regarding the BRN4/HK416 Compatible Piston Assembly, please refer to the manufacturer's contact information provided in the product packaging or visit their official website for support resources.

By following these safety instructions, you can ensure the safe and effective use of your BRN4/HK416 Compatible Piston Assembly. Always prioritize safety and responsible firearm handling practices.
