## SAFETY INSTRUCTIONS

### Introduction

Thank you for choosing the Channel Liner Kit for Glock® Pistols from BROWNELLS. This product is designed to enhance the performance of your Glock® pistol. To ensure safe and effective use, please read and follow these safety instructions carefully.

### General Safety Guidelines

- Always handle firearms with care and in accordance with local laws and regulations.
- This product is intended for use with Glock® pistols only. It is not compatible with G43, G43X, or G48 models.
- Ensure that the firearm is unloaded before performing any maintenance or installation.
- Keep all tools and components out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

### Specific Safety Precautions for Use

- Use the Channel Liner Tool provided to avoid damaging the firearm.
- Wear appropriate safety gear, including eye protection, while using this product.
- Do not attempt to modify or alter the Channel Liner Kit in any way.
- Ensure that the working area is clean and free of distractions while installing the kit.
- If you are unsure about any part of the installation process, seek assistance from a qualified gunsmith.

### Instructions for Installation and Usage

#### 1. Preparation

- Ensure the firearm is unloaded.
- Gather all necessary tools, including the Channel Liner Tool and the Channel Liner.

#### 2. Installation Steps

- Remove the slide from the Glock® pistol according to the manufacturer's instructions.
- Locate the channel where the liner will be installed.
- Using the Channel Liner Tool, carefully insert the new Channel Liner into the designated channel.
- Ensure that the liner is seated properly and securely.
- Reassemble the firearm by following the manufacturer's reassembly instructions.

#### 3. PostInstallation Check

- After installation, perform a safety check to ensure the firearm is functioning correctly.
- Test the action of the firearm to confirm that the Channel Liner is working as intended.

### Disposal Instructions

- Dispose of any packaging materials and unused components in accordance with local waste management regulations.
- Do not dispose of the Channel Liner Kit in regular household waste. Instead, follow local guidelines for hazardous materials if applicable.

## **Contact Information for Further Support**

For any inquiries or further assistance regarding the Channel Liner Kit for Glock® Pistols, please reach out to your local dealer or the manufacturer's customer service.

Thank you for your attention to these safety instructions. Enjoy your enhanced shooting experience with the Channel Liner Kit!
