BRN180 Lower Parts Kit Safety Instructions

Introduction

Thank you for choosing the BRN180 Lower Parts Kit by Brownells. This kit is designed to provide you with the essential components needed for the assembly of your firearm. It is crucial to follow all safety guidelines and instructions to ensure safe usage and compliance with regulations.

General Safety Guidelines

- Always handle firearms with care and respect.
- Ensure that you are of legal age and have the necessary permits to own and assemble firearms in your jurisdiction.
- Store all components in a secure location, out of reach of children and unauthorized individuals.
- Inspect all parts for damage before use. Do not use damaged parts.
- Always wear appropriate personal protective equipment (PPE) when assembling or handling firearm components.
- Follow all local laws and regulations regarding firearm assembly and usage.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded and pointed in a safe direction while working on it.
- Be aware of the potential hazards associated with each component in the kit:
 - Magazine Release: Ensure it functions correctly to prevent accidental releases.
 - Trigger Assembly: Improper installation may lead to unintentional discharges.
 - Safety Selector: Ensure it operates smoothly to prevent accidental firing.
- Avoid distractions while assembling your firearm.
- If you are unsure about any step in the assembly process, seek assistance from a qualified gunsmith.

Instructions for Installation and Usage

Assembly Instructions

1. Prepare Your Workspace

- Ensure your workspace is clean and well-lit.
- Gather all tools and components needed for assembly.

2. Install Magazine Release

- Insert the magazine release into the lower receiver.
- Secure it with the provided screw.

3. Install Magazine Release Button

- Place the magazine release button onto the magazine release.
- Ensure it is seated properly.

4. Install Magazine Catch Spring

- Insert the magazine catch spring into the magazine catch.
- Ensure it is positioned correctly.

5. Install Bolt Catch

- Insert the bolt catch into the designated slot on the lower receiver.
- Secure it with the appropriate pin.

6. Install Trigger Assembly

- Follow the manufacturer's instructions for the trigger hammer assembly, ensuring all springs are positioned correctly.
- Install the trigger and secure it with the provided pins.

7. Install Safety Selector

- Insert the safety selector into the lower receiver.
- Ensure it operates smoothly.

8. Install Pistol Grip

- Attach the pistol grip to the lower receiver using the provided screw and washer.

9. Install Takedown/Pivot Pins

- Insert the takedown and pivot pins into their respective holes in the lower receiver.

Usage Instructions

- After assembly, perform a function check to ensure all components are operating as intended.
- Always keep the firearm pointed in a safe direction when testing functionality.
- Familiarize yourself with the operation of each component before using the firearm.

Disposal Instructions

- Dispose of any unused or damaged parts in accordance with local regulations.
- Do not dispose of firearm components in regular household waste.
- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the BRN180 Lower Parts Kit, please consult your local firearms dealer or a qualified gunsmith. Always ensure you are compliant with local laws and regulations regarding firearms.

By following these safety instructions, you can ensure a safe and successful assembly of your BRN180 Lower Parts Kit. Always prioritize safety and compliance with regulations. Thank you for choosing Brownells.
