

# AR-15 LASER ENGRAVED PMAG GEN2 MOE 30RD - BROWNELLS AR-15 223/5.56 30RD POLYMER MAGAZINE BLACK DON'T TREAD ON ME

[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

Exercise Both Your 1st & 2nd Amendment Rights With These Unique 30-Rd Mags Magazines are utilitarian devices - you need 'em so you can load rounds into your rifle or pistol and send them downrange, preferably in large numbers. Our AR-15 Specialty Magazines are a lot more fun than their name suggests. These are standard Magpul PMAG Gen M2 MOE 30-round mags with slightly edgy graphics permanently laser-engraved on them. Choose from the American classic ""Don't Tread"" entwined by a fierce-looking snake (a reference to the Revolutionary War Gadsden flag), the defiant ""COME AND TAKE IT!"" (used during both the Revolution and the Texas Revolution of 1836), and a simple, practical Fuel Gauge graphic on a PMAG Gen M3 Window mag. Because the designs are laser-engraved and not painted, they are highly resistant to wear and cleaning solvents. However you deploy these specialty mags, one thing is for sure: you can count on their steady, rock-solid, unfailing reliability because they're built by Magpul. We just added the whimsical graphics because.... why does your AR-15 magazine have to look just like every other AR-15 mag on the range?

# Safety Instruction Guide for AR15 Laser Engraved PMAG Gen2 MOE 30RD

## Introduction

Thank you for purchasing the AR15 Laser Engraved PMAG Gen2 MOE 30RD. This guide provides important safety information and instructions for the proper use and care of your magazine. Please read this guide carefully to ensure safe operation and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the magazine is used only with compatible firearms, specifically AR15 models.
- Always treat every firearm as if it is loaded.
- Keep the magazine out of reach of children and unauthorized users.
- Inspect the magazine regularly for signs of wear or damage. Do not use a damaged magazine.
- Store the magazine in a cool, dry place away from direct sunlight and moisture.
- Always follow local laws and regulations regarding the use and ownership of firearms and magazines.

## Specific Safety Precautions for Use

- Do not exceed the magazine's capacity of 30 rounds.
- Only use ammunition that is compatible with the magazine (223 Remington, 5.56 mm NATO).
- Avoid using the magazine in environments that could lead to overheating or exposure to extreme conditions.
- Ensure the magazine is securely inserted into the firearm before use.
- Do not attempt to modify or alter the magazine in any way.
- In case of a malfunction, immediately cease use and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Align the magazine with the magazine well of the firearm.
- Push the magazine firmly into the magazine well until it clicks into place.

### 2. Usage:

- Load the magazine with compatible ammunition.
- Ensure that the rounds are seated properly.
- Insert the loaded magazine into the firearm.
- Check to ensure the magazine is securely locked in place before firing.

### 3. PostUse Care:

- After use, remove the magazine from the firearm.
- Unload the magazine in a safe environment.
- Clean the magazine according to the manufacturer's guidelines to maintain performance.

## Disposal Instructions

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged or no longer functional, do not attempt to repair it. Instead, contact a

qualified disposal service.

- Ensure that all ammunition is removed from the magazine before disposal.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding your AR15 Laser Engraved PMAG Gen2 MOE 30RD, please reach out to your local distributor or manufacturer. It is important to have access to support for any questions you may have regarding the safe use of your product.

## **Conclusion**

By following the guidelines and instructions outlined in this safety instruction guide, you can ensure the safe and effective use of your AR15 Laser Engraved PMAG Gen2 MOE 30RD. Always prioritize safety and compliance with local laws and regulations. Thank you for your attention to these important safety measures.
