

AR-15 LASER ENGRAVED PMAG GEN2 MOE 30RD - BROWNELLS AR-15 223/5.56 30RD POLYMER MAGAZINE, BLACK, FUEL LEVEL

[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

Exercise Both Your 1st & 2nd Amendment Rights With These Unique 30-Rd Mags Magazines are utilitarian devices - you need 'em so you can load rounds into your rifle or pistol and send them downrange, preferably in large numbers. Our AR-15 Specialty Magazines are a lot more fun than their name suggests. These are standard Magpul PMAG Gen M2 MOE 30-round mags with slightly edgy graphics permanently laser-engraved on them. Choose from the American classic ""Don't Tread"" entwined by a fierce-looking snake (a reference to the Revolutionary War Gadsden flag), the defiant ""COME AND TAKE IT!"" (used during both the Revolution and the Texas Revolution of 1836), and a simple, practical Fuel Gauge graphic on a PMAG Gen M3 Window mag. Because the designs are laser-engraved and not painted, they are highly resistant to wear and cleaning solvents. However you deploy these specialty mags, one thing is for sure: you can count on their steady, rock-solid, unfailing reliability because they're built by Magpul. We just added the whimsical graphics because.... why does your AR-15 magazine have to look just like every other AR-15 mag on the range?

Safety Instruction Guide for AR15 Laser Engraved PMAG Gen2 MOE 30Rd

Introduction

Thank you for choosing the AR15 Laser Engraved PMAG Gen2 MOE 30Rd. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of your magazine. Please read this manual carefully before use to understand the safety precautions and proper handling of the product.

General Safety Guidelines

- Ensure that the magazine is compatible with your AR15 firearm model.
- Always handle your firearm and magazine with care, treating them as if they are loaded.
- Keep magazines out of reach of children and unauthorized users.
- Regularly inspect your magazine for any signs of damage or wear.
- Follow all local, state, and national laws regarding firearm ownership and magazine use.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Always ensure that the firearm is pointed in a safe direction when loading or unloading.
- Do not exceed the magazine's capacity of 30 rounds.
- Avoid using damaged or worn magazines, as they may cause malfunctions.
- When cleaning your magazine, use only recommended cleaning solvents to avoid damage.
- Store magazines in a cool, dry place to prevent deterioration of materials.
- Be aware of your surroundings and ensure that you are in a safe environment when using your firearm.

Instructions for Installation and Usage

1. Installation:

- Ensure your AR15 is in a safe and unloaded condition.
- Align the magazine with the magazine well of your firearm.
- Push the magazine firmly into the magazine well until it clicks into place.

2. Usage:

- Load the magazine by inserting rounds into the magazine, ensuring they are seated properly.
- To remove the magazine, press the magazine release button and pull the magazine out of the magazine well.
- Always check the magazine for proper seating before firing.

3. Maintenance:

- Regularly clean your magazine using a soft cloth and recommended cleaning solvent.
- Inspect the magazine for cracks, bends, or other damage before each use.
- If you notice any damage, discontinue use and replace the magazine.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged or no longer usable, contact your local waste management facility for proper disposal methods.

- Do not dispose of magazines in regular household waste.

Contact Information for Further Support

For any inquiries regarding the safety or usage of your AR15 Laser Engraved PMAG Gen2 MOE 30Rd, please refer to the manufacturer's contact points as provided in the product packaging or official website.

Thank you for prioritizing safety in your firearm practices. Your cooperation ensures a safer environment for all users.
