Safety Instruction Guide for AR15/M16 Buffer Springs

Introduction

Thank you for choosing the AR15/M16 Buffer Springs by Brownells. This guide provides important safety information and instructions to ensure the safe and effective use of your product. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Ensure that you are familiar with the operation and handling of firearms before using this product.
- Always treat every firearm as if it is loaded.
- Keep firearms pointed in a safe direction at all times.
- Store the buffer springs in a safe place, out of reach of children and unauthorized users.
- Inspect the buffer springs for any signs of damage or wear before use.
- Follow all local laws and regulations regarding firearm modifications and parts.

Specific Safety Precautions for Use

- Only use the buffer springs in compatible AR15 and M16 models.
- Do not exceed the manufacturer's recommended specifications for your firearm.
- Wear appropriate safety gear, including eye protection, when handling firearms.
- Avoid using the buffer springs if you notice any unusual sounds or malfunctions during operation.
- If you are unsure about any aspect of installation or usage, seek assistance from a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is unloaded and the chamber is clear.
- Gather necessary tools for installation, including a buffer tube wrench and safety glasses.

2. Installation:

- Remove the existing buffer spring from the buffer tube.
- Inspect the buffer tube for any debris or damage before installing the new buffer spring.
- Insert the new buffer spring into the buffer tube, ensuring it is seated properly.
- Reassemble the buffer tube and ensure all components are secure.

3. Usage:

- Once installed, perform a function check to ensure the buffer spring operates correctly.
- Test fire the firearm in a safe and controlled environment to ensure proper operation.
- Regularly check the buffer spring for wear and replace it as necessary.

Disposal Instructions

- Dispose of any damaged or worn buffer springs in accordance with local regulations.
- Do not dispose of buffer springs in regular household waste. Instead, check with local authorities for hazardous waste disposal options.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the AR15/M16 Buffer Springs, please refer to the contact details provided with your product packaging or on the manufacturer's website.

Conclusion

By following this safety instruction guide, you can ensure the safe use and longevity of your AR15/M16 Buffer Springs. Always prioritize safety and seek professional assistance when needed. Thank you for your attention to these important guidelines.
