# Safety Instruction Guide for AR15 Ejection Port Cover Springs

## Introduction

Thank you for choosing the AR15 Ejection Port Cover Springs by Brownells. This guide provides essential safety information and instructions to ensure safe and effective use of the product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that all components are compatible with your AR15 model.
- Always handle firearms with care and follow standard safety practices.
- Store springs and other firearm parts out of reach of children and unauthorized users.
- Regularly inspect springs for wear and tear, replacing them if necessary.
- If you are unsure about any aspect of installation or use, seek professional assistance.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper installation may lead to malfunction.
- Springs under tension can cause injury if mishandled.

### • To Avoid Hazards:

- Always wear safety glasses when working with firearm components.
- Do not attempt installation or adjustment while the firearm is loaded.
- Use proper tools to avoid damaging the springs during installation.
- Follow the manufacturer's specifications for installation torque and settings.

### • Age or Audience Specific Warnings:

- This product is intended for adult users only. Keep out of reach of children.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and the working area is clean and organized.
- Gather all necessary tools, including a screwdriver and safety glasses.

### 2. Installation Steps:

- Remove the old ejection port cover spring, if applicable:
  - Use a screwdriver to carefully detach the old spring.
- Install the new ejection port cover spring:
  - Align the new spring with the designated slot.
  - Gently press the spring into place, ensuring it is secure.
- Test the ejection port cover:
  - Manually operate the cover to ensure smooth movement.

### 3. Usage Guidelines:

- Regularly check the functionality of the ejection port cover after installation.
- If you notice any irregularities, consult a professional gunsmith immediately.

## **Disposal Instructions**

- Dispose of old or damaged springs in accordance with local regulations.
- Do not dispose of springs in a manner that may cause injury to others or harm the environment.

## **Contact Information for Further Support**

For any inquiries or further assistance, please refer to the manufacturer's website or contact your local dealer. Always ensure you are following the latest safety guidelines and product updates.

Thank you for your attention to safety and for choosing Brownells for your firearm needs.
