AR15/M16 BUFFER SPRINGS BROWNELLS M4 BUFFER SPRING Safety Instructions

Introduction

Thank you for choosing the AR15/M16 BUFFER SPRINGS BROWNELLS M4 BUFFER SPRING. This product is designed to enhance the performance of your AR15 rifle, ensuring it functions reliably. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before using this product.
- Always treat your firearm as if it is loaded.
- Keep firearms and ammunition out of reach of children and unauthorized users.
- Use appropriate safety gear, such as eye and ear protection, when handling firearms.
- Follow all local laws and regulations regarding firearms and ammunition.
- Regularly inspect your firearm and its components for wear and damage.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Only use this buffer spring with compatible AR15 models.
- Do not modify the buffer spring or use it in a way not intended by the manufacturer.
- Avoid exposing the buffer spring to extreme temperatures or harsh chemicals.
- Ensure that the buffer spring is properly installed to avoid malfunction.
- If you experience any unusual behavior from your firearm, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a punch tool and a hammer.

2. Removing the Old Buffer Spring

- Disassemble the firearm according to the manufacturer's instructions.
- Locate the buffer spring and carefully remove it from the buffer tube.

3. Installing the New Buffer Spring

- Take the new Brownells M4 buffer spring and inspect it for any visible damage.
- Insert the new buffer spring into the buffer tube, ensuring it is seated correctly.
- Reassemble the firearm according to the manufacturer's instructions.

4. Final Check

- Once reassembled, perform a function check to ensure that the firearm operates correctly.
- Store the firearm safely when not in use.

Disposal Instructions

- Dispose of old or damaged buffer springs in accordance with local regulations.
- Do not dispose of buffer springs in regular household waste.
- Check with local authorities for proper disposal methods for metal components.

Contact Information for Further Support

For safety inquiries or additional support, please refer to the manufacturer's website or contact their customer service department.

By following these safety instructions, you can ensure the safe use of the AR15/M16 BUFFER SPRINGS BROWNELLS M4 BUFFER SPRING. Thank you for prioritizing safety and responsible firearm use.
