Safety Instruction Guide for AR15/M16 Buffer Springs Brownells BRN M4 Buffer Springs, Chrome Silicon

Introduction

Thank you for choosing the AR15/M16 Buffer Springs Brownells BRN M4 Buffer Springs, Chrome Silicon. This guide provides essential safety instructions to ensure the safe use and maintenance of your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only by individuals who are knowledgeable about firearms and their components.
- Always follow local laws and regulations regarding firearm modifications and usage.
- Inspect the buffer spring for any signs of damage or wear before installation.
- Store the product in a safe place, away from children and unauthorized users.
- Report any unsafe conditions or accidents to the appropriate authorities immediately.
- Check for any recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not use the buffer spring if it shows signs of deformation, rust, or other damage.
- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Ensure that the firearm is unloaded and pointed in a safe direction during installation.
- Only use this buffer spring in compatible AR15/M16 platforms as specified by the manufacturer.
- Avoid using excessive force during installation to prevent damage to the spring or firearm components.
- Keep the area around your workspace clean and free of obstructions to avoid accidents.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is completely unloaded.
- Gather necessary tools for installation, including a wrench and any other required equipment.

2. Installation:

- Remove the existing buffer spring from the buffer tube by following the manufacturer's instructions.
- Inspect the buffer tube for any debris or damage before installing the new spring.
- Insert the new Brownells BRN M4 Buffer Spring (CS) into the buffer tube, ensuring it is seated properly.
- Reassemble the buffer assembly according to the manufacturer's specifications.
- Test the buffer assembly to ensure it functions correctly before using the firearm.

3. Usage:

- Regularly check the buffer spring for signs of wear or damage during routine maintenance.
- Replace the buffer spring if it no longer performs effectively or shows signs of fatigue.

Disposal Instructions

- Dispose of the buffer spring in accordance with local regulations regarding metal recycling and hazardous waste.
- Do not discard the product in regular household waste.
- If the buffer spring is damaged or no longer usable, take it to a designated recycling facility.

Contact Information for Further Support

For any safety inquiries or additional support regarding the AR15/M16 Buffer Springs Brownells BRN M4 Buffer Springs, Chrome Silicon, please refer to the manufacturer's website or customer service channels.

Thank you for prioritizing safety and compliance while using your product.
