AR15 Trigger Guard Assembly Safety Instructions

Introduction

Thank you for choosing the AR15 Trigger Guard Assembly from Brownells. This product is designed for safe and effective use. Please read this safety instruction guide carefully to ensure proper handling, installation, and usage of the trigger guard assembly.

General Safety Guidelines

- Ensure that the product is compatible with your AR15 model before installation.
- Always handle firearms with care and follow standard safety practices.
- Store the trigger guard assembly in a safe location, out of reach of children and unauthorized users.
- Inspect the product for any damage before use. Do not use if damaged.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear safety glasses when working with firearms and related components.
- Ensure the firearm is unloaded before installing or modifying any parts.
- Use appropriate tools for installation to avoid damaging the product or firearm.
- Do not attempt to modify the trigger guard assembly. Any alterations may compromise safety.
- Keep hands and fingers clear of the trigger and other moving parts during installation.
- Avoid using the trigger guard assembly in wet or humid conditions to prevent corrosion.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools, including a punch tool for the trigger guard roll pin (sold separately).
- Ensure your workspace is clean and welllit.

2. Installation Steps

- Ensure the firearm is completely unloaded and safe.
- Remove the existing trigger guard if applicable.
- Align the AR15 trigger guard assembly with the designated mounting points on the firearm.
- Insert the trigger guard roll pin through the assembly and into the mounting point.
- Gently tap the roll pin into place using the punch tool, ensuring it is flush with the assembly.
- Doublecheck that the trigger guard is securely attached before handling the firearm.

3. Usage

- After installation, ensure that the trigger guard assembly does not interfere with the operation of the firearm.
- Regularly inspect the assembly for signs of wear or damage.

Disposal Instructions

- Dispose of the product in accordance with local regulations for metal waste.
- Do not dispose of the product in household waste. Check for recycling options in your area.

Contact Information for Further Support

For any inquiries or concerns regarding the product, please refer to the manufacturer's contact details provided with your purchase.

Thank you for your attention to these safety instructions. Proper handling and care will ensure the longevity and safe use of your AR15 Trigger Guard Assembly.
