# **MATCH GAUGE KIT .308 WINCHESTER Safety Instruction Guide**

## **Introduction**

Thank you for choosing the MATCH GAUGE KIT .308 WINCHESTER. This product is designed to help you determine the exact headspace dimension on any rifle chambered in .308 Winchester. It is essential to use this product safely and correctly to ensure your safety and the proper functioning of your firearm. This guide provides important safety instructions, guidelines for use, and contact information for further support.

## **General Safety Guidelines**

- Always handle the MATCH GAUGE KIT with care to avoid injury.
- Ensure that the product is used only for its intended purpose.
- Keep the kit out of reach of children and vulnerable individuals.
- Regularly inspect the gauges for wear or damage before use.
- Do not attempt to modify or repair the gauges yourself.
- Always follow your firearm's manufacturer guidelines regarding headspace measurements.
- In case of an emergency, report unsafe products or accidents to the appropriate authorities.

## **Specific Safety Precautions for Use**

- Ensure the firearm is unloaded before using the gauge kit.
- Use the gauge kit in a welllit and safe environment.
- Always wear appropriate eye protection when using the gauge kit.
- Avoid using the kit if you are tired or under the influence of substances that may impair your judgment.
- Follow the specific instructions for each gauge to avoid incorrect measurements.
- Be cautious of sharp edges on the gauges; handle them with care.

## **Instructions for Installation and Usage**

### **1. Preparation:**

- Ensure that the firearm is completely unloaded.
- Gather all necessary tools and the MATCH GAUGE KIT.

### **2. Using the Gauges:**

- Select the appropriate gauge based on the desired headspace measurement.
- Insert the gauge into the chamber of the firearm gently.
- Ensure that the gauge fits snugly but does not force it into the chamber.
- Check the gauge reading against the specifications for your firearm.
- Repeat the process with different gauges as needed to cover the entire range from Go to Field.

### **3. PostUse:**

- After use, carefully clean the gauges to remove any debris or residue.
- Store the gauges in a safe, dry place to avoid damage.

## **Disposal Instructions**

- Dispose of any damaged or worn gauges according to local regulations.
- Do not throw the gauges in regular household waste.

- Consider recycling options where available.

## **Contact Information for Further Support**

For further assistance, please refer to the manufacturer's website or contact the customer service department of FORSTER PRODUCTS, INC. for any inquiries related to safety or product issues.

Thank you for your attention to these safety instructions. Your careful use of the MATCH GAUGE KIT .308 WINCHESTER will help ensure a safe and effective experience.
