PROFESSIONAL SERIES BARREL HONING STONES COMPLETE PROFESSIONAL HONING STONE KIT Safety Instruction Guide

Introduction

Thank you for choosing the PROFESSIONAL SERIES BARREL HONING STONES COMPLETE PROFESSIONAL HONING STONE KIT. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this document carefully before using the honing stones.

General Safety Guidelines

- Always handle the honing stones with care to avoid injuries.
- Ensure that the workspace is clean and free from any obstructions.
- Keep the honing stones out of reach of children and vulnerable individuals.
- Use personal protective equipment (PPE) such as gloves and safety goggles during use.
- Be aware of potential hazards related to the materials being polished, including dust and debris.
- Follow all local regulations regarding the disposal of materials and products.

Specific Safety Precautions for Use

- **Hazardous Dust**: When honing barrels, fine dust may be generated. Always wear a dust mask to avoid inhalation.
- **Sharp Edges**: The honing stones may have sharp edges. Handle them carefully to prevent cuts.
- **Equipment Stability**: Ensure that the barrel and honing equipment are stable during use to prevent accidents.
- **Chemical Exposure**: If using any additional cleaning agents, ensure proper ventilation and follow the safety instructions of those products.
- **Storage**: Store the honing stones in the provided plastic storage box when not in use to prevent damage and accidental injury.

Instructions for Installation and Usage

1. **Preparation**:

   - Ensure that the shotgun bore is clean and free from obstructions.
   - Select the appropriate grit stone based on the desired polish level.

2. **Assembly**:

   - Attach the selected honing stone to the steel carrier.
   - Ensure that the stone is securely riveted to the arm before use.

3. **Honing Process**:

   - Insert the steel carrier into the shotgun bore carefully.
   - Apply gentle pressure while moving the honing stone back and forth in the bore.
   - Periodically check the bore to assess the polish level and adjust the pressure as needed.

4. **PostUse**:

   - Clean the honing stones and the shotgun bore after use to remove any debris.

○ Store the honing stones in the plastic storage box to protect them from damage.

Disposal Instructions

- Dispose of used honing stones and any debris in accordance with local waste disposal regulations.
- Do not dispose of honing stones in regular household waste if they are damaged or contain hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the use of the PROFESSIONAL SERIES BARREL HONING STONES COMPLETE PROFESSIONAL HONING STONE KIT, please consult the manufacturer's website or customer service for further assistance.

By following these safety instructions, you can ensure a safer and more effective experience while using the honing stone kit. Thank you for your attention to safety.
