## Safety Instruction Guide

### Introduction

Thank you for purchasing the RUGER® SINGLE ACTION SCREWDRIVER SET. This guide provides essential safety information and instructions to ensure the safe and effective use of the product. Please read this guide thoroughly before using the screwdriver set.

### General Safety Guidelines

- Ensure that the screwdriver set is used only for its intended purpose.
- Always inspect the screwdriver and bits for damage before use. Do not use if any part is broken or worn.
- Keep the screwdriver set out of reach of children and vulnerable individuals.
- Use appropriate personal protective equipment (PPE), such as safety glasses, when using the screwdriver set.
- Do not use the screwdriver set in wet or damp conditions to prevent electrical hazards.
- Report any unsafe products or accidents to the relevant authorities.

### Specific Safety Precautions for Use

- **Avoid Stripped Screws:** Always use the correct bit size for the screw to prevent stripping.
- **Proper Grip:** Hold the screwdriver firmly and ensure a secure grip to avoid slips and injuries.
- **No Excessive Force:** Do not apply excessive force when turning screws. If resistance is felt, stop and assess the situation.
- **Use in WellLit Areas:** Ensure that you are working in a welllit environment to see the screws and bits clearly.
- **Keep Workspace Clean:** Maintain a clean and organized workspace to avoid accidents and injuries.

### Instructions for Installation and Usage

1. **Select the Correct Bit:** Choose the appropriate flat blade bit that fits the Ruger® Single Action screws you are working with.
2. **Attach the Bit:** Insert the selected bit into the screwdriver's head until it is securely in place.
3. **Position the Screwdriver:** Align the screwdriver bit with the screw head, ensuring a snug fit.
4. **Turn the Screw:** Rotate the screwdriver handle clockwise to tighten or counterclockwise to loosen the screw. Apply steady, even pressure.
5. **Inspect Work:** After installation or removal, inspect the screw to ensure it is secure and properly fitted.

### Disposal Instructions

- Dispose of the screwdriver set and any damaged bits in accordance with local regulations for hazardous waste.
- Do not dispose of the screwdriver set in regular household waste.
- Consider recycling the screwdriver and bits where facilities exist.

### Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's contact information provided with your product.

By following these guidelines, you can ensure the safe use of the RUGER® SINGLE ACTION SCREWDRIVER SET. Thank you for your attention to safety, and enjoy your product!
