5° PLUG & CHAMFER KIT Safety Instruction Guide

Introduction

Thank you for choosing the 5° Plug & Chamfer Kit. This product is designed to help you cut a perfectly centered, chatterfree, 5° chamfer for your firearms. To ensure safe and effective use, please read this safety instruction guide carefully. It contains important information regarding the safe handling, installation, and usage of the product in compliance with EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- **Product Safety:** This product is designed for safe use in accordance with EU safety standards. Always follow the instructions provided to minimize risks.
- **Enhanced Recalls:** In the event of a product recall, you will receive standardized notices and free remedies for any dangerous products.
- **Online Shopping Safety:** Whether purchased online or instore, this product meets all safety requirements mandated by EU regulations.
- **Special Consumer Focus:** Extra safeguards are in place for vulnerable groups. This product is not intended for use by children.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU-based contact provided with your product documentation.
- **Rapid Alerts:** Stay informed about product safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Read Instructions:** Always read and understand the instructions before using the kit.
- **Wear Protective Gear:** Use appropriate safety gear such as gloves and safety glasses while handling the kit.
- **Check Tools:** Ensure that all tools and components are in good condition before use.
- **Work Environment:** Use the kit in a well-ventilated area and keep your workspace organized to avoid accidents.
- **Avoid Distractions:** Focus on the task at hand and avoid distractions while using the kit.
- **Keep Out of Reach of Children:** Store the kit in a safe place away from children and unauthorized users.
- **Inspect for Damage:** Before each use, inspect the kit for any signs of damage or wear. Do not use damaged components.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and components from the kit, including cutters, plug gauges, pilots, and handle.
- Ensure your workspace is clean and well-lit.

2. Setting Up:

- Secure the barrel firmly in place, ensuring it does not move during the chamfering process.
- Attach the appropriate cutter to the handle.

3. Chamfering Process:

- Align the cutter at a 5° angle to the barrel's edge.
- Apply gentle pressure while rotating the cutter to create the chamfer.
- Ensure a smooth and even motion to avoid chatter or uneven cuts.

4. **Checking Accuracy:**

- Use the plug gauges to check the accuracy of the chamfer. Adjust as necessary.
- Repeat the chamfering process if needed to achieve the desired result.

5. **PostUse Care:**

- Clean all components after use to prevent corrosion and maintain performance.
- Store the kit in its fitted bench box to protect it from damage.

Disposal Instructions

- **Environmental Responsibility:** Dispose of any unused or damaged components in accordance with local regulations.
- **Recycling:** Where possible, recycle materials such as plastic and metal.

Contact Information for Further Support

For any further support or safety inquiries, please refer to the contact information provided with your product documentation.

By following these safety instructions, you will ensure a safe and effective experience with your 5° Plug & Chamfer Kit. Thank you for prioritizing safety!
