

REMINGTON 870 XP MAGAZINE SPRING & FOLLOWER - BROWNELLS REMINGTON 870 XP MAGAZINE SPRING W/FOLLOWER

[Shotgun Parts](#) > [Magazine Tube Parts](#) > [Magazine Springs](#)

Feeds Shell Smoothly; Bright Follower Indicates Magazine Is Empty

Steel, extra-power magazine spring replaces the factory spring and ensures that every shell is ready to be loaded when you need it. Orange aluminum follower lets you see at a glance when the magazine is empty. Drop-in installation requires no special tools and no gunsmithing. Instructions included. Only for 4 shot tube not 6.

Safety Instruction Guide for REMINGTON 870 XP MAGAZINE SPRING & FOLLOWER

Introduction

Thank you for choosing the REMINGTON 870 XP MAGAZINE SPRING & FOLLOWER. This product is designed to enhance the performance of your Remington 870 shotgun by providing a reliable magazine spring and follower. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always ensure that the firearm is unloaded before performing any maintenance or installation.
- Keep out of reach of children and unauthorized users.
- Use the product only for its intended purpose as specified in the product description.
- Regularly inspect the magazine spring and follower for signs of wear or damage before use.
- If you notice any defects or malfunctions, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Ensure that the magazine tube is compatible with the 4shot tube specification. This product is not suitable for 6shot tubes.
- Avoid using excessive force during installation to prevent damage to the components.
- Be aware that improper installation may lead to malfunction or failure of the firearm.
- Always store the firearm in a secure location when not in use to prevent unauthorized access.
- Follow all local laws and regulations regarding firearm ownership and usage.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather the necessary tools (if any) for installation.

2. Installation:

- Remove the existing magazine spring and follower from the magazine tube.
- Insert the new steel magazine spring into the magazine tube.
- Place the orange aluminum follower on top of the magazine spring.
- Ensure that the follower is seated properly and moves freely within the tube.

3. Usage:

- Load the magazine with appropriate 12gauge shells.
- Check the follower through the magazine opening to confirm that the magazine is loaded.
- When ready to use, ensure the firearm is pointed in a safe direction and follow all standard firearm safety practices.

4. PostInstallation Check:

- Conduct a function check of the firearm to ensure proper operation.
- Store the firearm securely when not in use.

Disposal Instructions

- Dispose of the old magazine spring and follower in accordance with local waste disposal regulations.
- Do not dispose of any firearm components in regular household waste.
- Check with local authorities for proper recycling or disposal methods for metal components.

Contact Information for Further Support

For any inquiries or concerns regarding the REMINGTON 870 XP MAGAZINE SPRING & FOLLOWER, please contact the manufacturer or your local distributor. Ensure that you have the product details ready for assistance.

Conclusion

By following the safety guidelines and instructions provided in this guide, you can ensure the safe and effective use of the REMINGTON 870 XP MAGAZINE SPRING & FOLLOWER. Always prioritize safety and compliance with local regulations when handling firearms. Thank you for your attention to these important safety measures.
